Friends of Lorine Niedecker

The art educators of FASD have partnered with the local group, 'Friends of Lorine Niedecker'.

The Friends set a goal to have a piece of artwork in each school that ties in with Lorine's poetry.

Ann Engelman and Amy Lutzke are joining us this evening from Friends.

Elementary*

Luther is on the docket for the next Lorine inspired project.

We are looking forward to adding another piece of locally inspired piece of art to our city.

*In moonlight lies
the river passing—
it's not quiet
and it's not laughing.*

and I'm not free
but I've a house of my
