

Non-Eligibility for Multilingual Learner Services

Date: _____

Based on your responses to the Home Language Survey completed at registration, your child, _____, was tested on _____ using the WIDA-ACCESS Placement Test (W-APT), which is a required language screener. The results of the W-APT determine your child's level of English language proficiency and whether they would be eligible to receive Multilingual Learner (ML) services. In addition to the W-APT, a Multiple Indicator Protocol (MIP) may have been used to determine English language proficiency.

Your child scored at the "Proficient" level on the W-APT and/or through the MIP, indicating that your child does not qualify to receive ML services. Please keep this letter for your records. The school will maintain a copy in your child's cumulative record.

No Elegibilidad para los Servicios Multilingües

Fecha: _____

Basado en sus respuestas a la Encuesta del Idioma del Hogar completada en la inscripción, su niño, _____, fue evaluado en _____ usando la Prueba de WIDA-ACCESS Placement Test (W-APT), la cual es una evaluación de idioma requerida. Los resultados del W-APT determinan el nivel de competencia lingüística en inglés de su niño y si sería elegible para recibir servicios de inglés (servicios multilingües). Además del W-APT, es posible que se haya utilizado un Protocolo de Indicadores Múltiples (MIP) para determinar el nivel de competencia en inglés.

Su niño obtuvo un resultado de «Competente» en el W-APT y/o a través del MIP, lo que indica que su niño no califica para recibir servicios de inglés. Por favor guarde esta carta para sus archivos. La escuela mantendrá una copia en el archivo acumulativo de su niño.

Si tiene alguna pregunta, por favor comuníquese conmigo al 920-563-7804.
