

A MESSAGE FROM YOUR PRINCIPAL

Dear Purdy Families,

Where has the time gone?! March has been jam packed with learning, unique experiences and even some planning for next year! We're also already on a great track to start Q4 and have Forward Exam up and running for grades 3-5. Check out this great info below:

HIGHLIGHTS:

We still have a ways to go, but we have been really impressed with the progress students are making. They are definitely putting in a lot of effort and hard work! We look forward to seeing how far we can support their growth for the remainder of the year!

PURDY PALOOZA

Our annual event is coming up on May 13th. Check out the information included about how you can support this fun school event!

UP NEXT:

Continued work on the Forward Exam. Letters to families in grades 3-5 were sent home earlier this week in hardcopy and email. It included helpful hints and a copy of the testing schedule. We appreciate your help in avoiding those dates for doctors, dentists or other appointments during these times. You can be a big help to the success of the test by making sure your child gets a good night's rest and healthy breakfast on the days of testing. We also strongly encourage families to avoid all appointments on their child(ren)s testing dates. We appreciate your help and support for our students to be available and ready to do their best. Please contact your child's teacher if you have questions about this.

SCHOOL BUDGET PROPOSAL

Proposals for next year's budget are being finalized. The Purdy budget will have a continued focus on effective support for teachers, ample supplies of resources for student specific learning groups, continued updates to technology for the classroom, as well as all the essentials of maintaining an efficiently run building.

PURDY ARTS FESTIVAL AND VOLUNTEER APPRECIATION NIGHT

We are excited to bring back this event on April 28th. This event showcases student work in art and music and we also honor our valuable volunteers. This event will run from 5:30 –7:00 at Purdy Elementary School. We look forward to showcasing all our amazing student talent!

PTO NO COOK NIGHT - APRIL 16th 4:00-8:00

Come join us for a fun night of no cooking AND supporting your PTO! Pizza Hut is donating a percentage of the proceeds from the sales from that evening to the PTO for enrichment activities for our students. We appreciate the help and so does this local business!

EARLY RELEASE - APRIL 18th - 1:30

Just a reminder that your child(ren) will be done at 1:30 on April 18th. Please make sure you have plans for them for the afternoon.

As the days tick away quickly, we want you to know how much we enjoy getting to be part of your child(ren)s educational journey. It is an honor to work with them everyday and see the amazing growth they are all making! Can't wait to see how far they will grow by the end of the year!

Sincerely,

Leigh Ann Scheuerell, Principal

Hello Purdy Families,

It's hard to believe we are already thinking about next year, but we wanted to let you know in advance that as COVID relief programs end, it is looking like we will go into regular meal operations for the 2022-2023 school year - meaning we will no longer be able to offer free breakfast and lunch for all students.

If you feel that your family may qualify, we highly encourage you to sign up now so that at the start of next year, you will not have to worry about this!

Please check out the link below for more information and how you can sign up! There are MANY great benefits to this program and as always, this information remains highly confidential.

Hello Purdy Families,

As you are planning for your Mother's Day and Father's Day events, and your Highschool and College Graduations, Baby showers and Weddings this summer please remember that SCRIP cards can be the perfect answer to your gift giving dilemmas.

**Scrip cards are always the right size, the right style and the right color!
Your purchase of SCRIP cards also benefits the school and ultimately your child!**

**Please consider giving SCRIP cards a try
We know you'll love the ease and convenience and there is a lot less postage and no schlepping heavy packages to the post office!**

Did you know that you can order airlines buck through SCRIP??

Purdy PTO is once again seeking community sponsors and support through our 6th Annual Purdy Palooza event. This event will take place on Friday, May 13th, 2022 and will include all our students and staff K-5 for approximately 300+ participants. The afternoon will be filled with activities that promote healthy lifestyles and physical fitness. It will be both educational and fun for all our students, staff and volunteers.

Our goal is to raise \$7,500 through the support of parents, friends, staff and the community. The Purdy PTO uses this money to help fund scholarships, field trips, equipment, and enrichment opportunities (like our Artist in Residency Program) for our students, while maintaining low/attainable costs for parents. These activities enhance the quality of education for our children. In order to continue to support these events we need your support!

Corporate sponsorship is essential to helping us meet our goals. Support levels are:

Platinum - \$250+ donation Includes company logo on:

- Back of t-shirts worn by all volunteers as well as students
- All paper materials sent to Purdy families as well as inclusion in all local media communications
- Signage of all sponsors hung in prominent places during Palooza

Gold - \$100 donation Includes company name on:

- Back of t-shirts worn by all volunteers as well as students
- All paper materials sent to Purdy families as well as inclusion in all local media communications
- Signage of all sponsors hung in prominent places during Palooza

NEW THIS YEAR: Family Sponsorship! - \$100 donation

- Families can take advantage of the "Gold Level" sponsorship with benefits listed above, including **YOUR FAMILY NAME ON THE T-SHIRT!** (ex. The Smith Family)

Please make the check payable to Purdy PTO. Sponsorship and logos need to be submitted by 4/14/22 with all logos needed for production to be submitted on 4/15/22. Please email logos and/or exact company names or family names to purdypalooza@gmail.com.

With your help we are positive we can reach our goals. Thank you in advance for your careful consideration and for the time and energy that ensures the continued success of programming for our Purdy Elementary students.

Sincerely,

Parents that are presently living outside the School District of Fort Atkinson or that may move out before next school year and wish to have their child(ren) attend Purdy, or any other school in the Fort School District, will be required to apply for Open Enrollment in order to attend Fort Atkinson School District next year.

Parents need to file the paperwork with the Superintendent's office from February 7 - April 29, 2022. Parents may apply online at: <https://dpi.wi.gov/open-enrollment> or by contacting Lisa Haas, Assistant to the Superintendent at 920-563-7807, for a paper application.

IMPORTANT IMMUNIZATION INFORMATION FOR 5TH GRADE STUDENTS

Wisconsin Student Immunization Law requires a dose of Tdap vaccine for students entering the 6th grade. Parents are required to have their children vaccinated or claim a waiver.

For the 2022-2023 school year the following is required:

Students entering	Vaccine
Grades 6 through 12	Tdap (1 dose)

Tdap is the adolescent combination vaccine that protects against tetanus, diphtheria, and pertussis (whooping cough). Only one dose is required.

[Tdap Fact Sheet](#)

We encourage you to make plans now to have your child vaccinated well in advance of school starting next fall to avoid the late summer rush at doctor's offices and immunization clinics. Please provide the school with the dates of your child's vaccination updates.

[Student immunization Record](#)

Please contact your child's medical provider to review your child's immunization record and make your summer appointment. If you do not have insurance that covers the cost of vaccines, please call the Jefferson County Health Department at 920-674-7275 and schedule an appointment.

You may contact the School Nurse office with any questions at 920-563-7805 or email at schoolnurse@fortschool.org.

Summer School

P: 920.563.7822
F: 920.563.7837

Preparations for the 2022 summer school session are in full gear.

The Summer School Session will begin on Monday, June 20th, and end on Friday, July 22nd. There will be no summer school on Monday, July 4th and Tuesday, July 5th to recognize the 4th of July holiday.

The District is excited to again offer a wide variety of great classes and camps for your family to consider!

The District will again use a PRIORITY REGISTRATION system. During PRIORITY REGISTRATION, parents/guardians will have the opportunity to indicate which courses or camps their children wish to take this summer using the online registration system (similar to last year). Using this information, the District will then determine the number of sections to run for each class in an effort to ensure that kids get the classes that they desire this summer.

PRIORITY REGISTRATION will be open Friday, April 1st and run through Monday, April 11th. Please mark your calendar and share with your friends.

By using PRIORITY REGISTRATION, you are giving your child the best chance to get the class(es) he/she wants this summer. There are three registration help sessions planned:

- Monday, April 4 from 8:00 to 9:30 AM and 3:15 to 6:00 PM at the Luther Elementary IMC.
- Wednesday, April 6 from 3:15 to 6:00 PM at the Purdy Elementary IMC.
- An interpreter will be available to help.

Registration information, including student logins and class lists, will be sent home in student folders on Thursday, March 31st. If you have any questions throughout the process, please call the Summer School Office at 920-563-7802 or email summerschool@fortschools.org.

We're always looking for great summer school teachers! If you know a certified teacher that might be interested in joining our summer school team, please have them email summerschool@fortschools.org or call 563-7802.

We hope your child will join us this summer for lots of fun!

The 5th grade band and orchestra will be performing at the Purdy Arts Festival on Thursday, April 28. It is very important every student is present!

- **The Festival begins at 5:30 pm. Band and Orchestra students should report to the Band/Orchestra Room at 5:45.**
- **The Orchestra will perform on the Cafeteria Stage beginning at 6:00 pm.**
- **The Band will perform right after the orchestra on the Cafeteria Stage at approximately 6:15 pm.**

If possible, students should wear jeans or black pants and a Purdy t-shirt. If students do not have a Purdy shirt, a shirt with Purdy colors would be great.

See you there!

- Mr. Finnegan & Mrs. Haffelder

Orchestra boosters meeting

All orchestra parents are invited to the Orchestra Boosters meeting on Tuesday, April 12 at 6:00pm in the High School music pod. This is a chance to share your voice on how boosters money is spent and raised. We will also share information about future orchestra events

Fine arts night - Tuesday April 28

Orchestra students will be performing at 6:00pm at the Purdy Fine Arts night. Students need to arrive at 5:45pm and meet in the band/orchestra room.

Attention 4th grade parents!

Orchestra sign up for 5th grade is on Tuesday May 10 from 3:30-7:00pm in the Luther Band room. Look for information coming home as your children learn about the various orchestra instruments in the month of April.

Each month, we select 2 safety patrollers that demonstrate their work as leaders above and beyond what is expected in this duty. We recognized **Porter McGee** and **Lucien Collins** this month on Friday, March 11th. They were treated to McDonald's with other 5th grade students from FASD.

Reminder!!!

Check your child's Lunch Account Balances!!

Please check your child's lunch account balance!

If your child is purchasing milk at meal time, and NOT a full meal, those milks are not free, and funds are withdrawn from your account to cover that purchase.

Also, based on current legislation, starting in September, meals will go back to "normal" and will no longer be free for all families. Since we have not regularly used these accounts since March 2020, you may have funds available to start the 2022-23 school year...but, many of you may be carrying a negative balance, from meals purchased prior to March 2020. Now is a good time to check them, and see where you stand, so you are ready to go come fall!

If you have any questions, please contact Nutrition Services at oswaldc@fortschools.org or 920-563-7811 ext.1159.

NEW COVID-19/QUARANTINE PROTOCOLS

Effective 1-6-22

In alignment with the CDC and the Jefferson County Health Department, the School District of Fort Atkinson will reduce its required isolation period for students and staff who have a confirmed case to 5 days from a positive test or symptom onset date.

This means individuals who test positive for COVID-19 may return to school after 5 days of isolation IF they have not had symptoms for 24 hours.

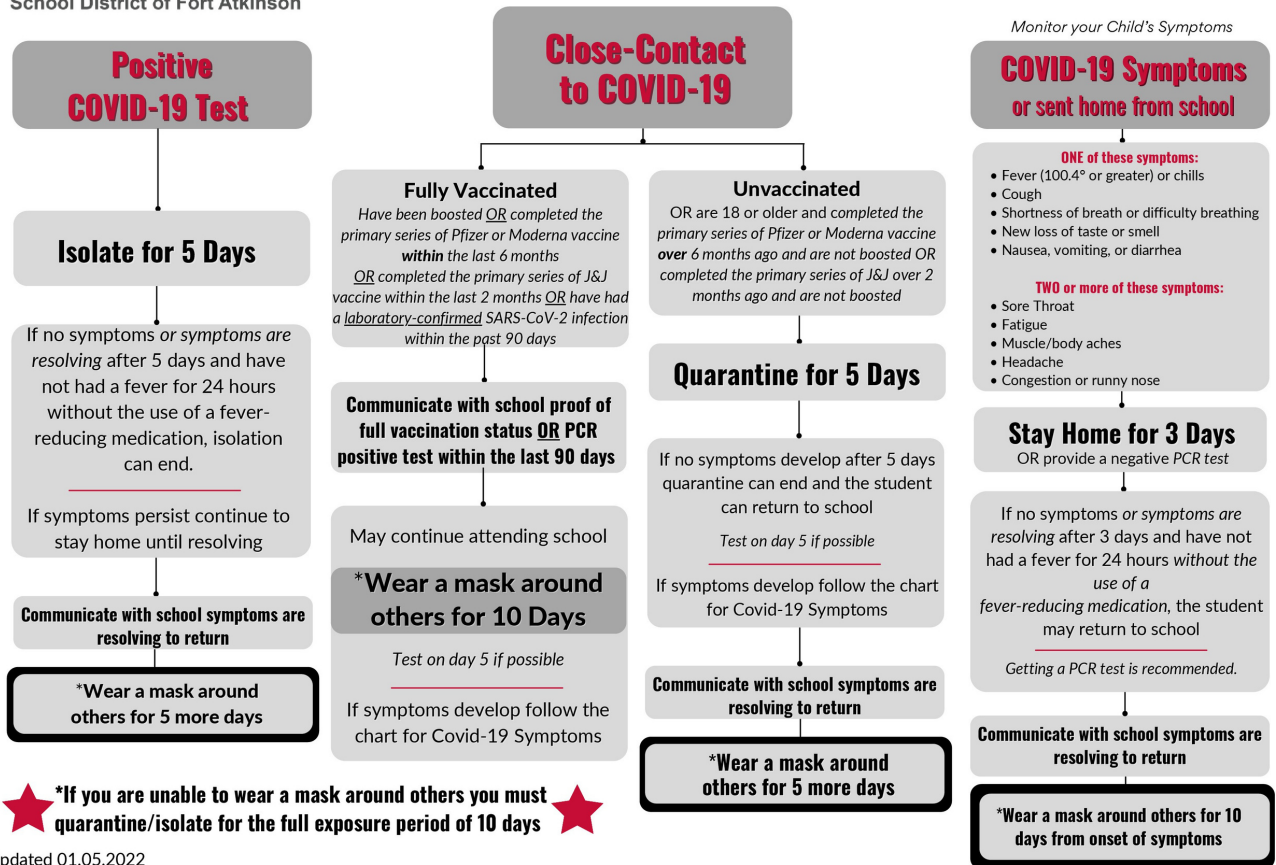

Individuals returning from isolation must wear a mask when around others for an additional five days after their return to school.

If a student or staff member cannot wear a mask, they will be required to isolate for the full 10 days.

The same quarantine measures will be taken for those exposed to COVID-19 who are unvaccinated (along with those who completed the primary series of the Pfizer or Moderna vaccine over 6 months ago and are not boosted OR completed the primary series of Johnson & Johnson over 2 months ago and are not boosted). Fully vaccinated individuals exposed to COVID-19 should wear a mask for 10 days after the date of exposure and get tested on day 5 if possible but may remain in school. Any individual that develops symptoms should get a test and stay home.

COVID-19 Isolation/Quarantine Protocols

***If you are unable to wear a mask around others you must quarantine/isolate for the full exposure period of 10 days**

NEW COVID-19/QUARANTINE PROTOCOLS Effective 1-6-22

FORT COVID-19 Isolation/Quarantine Protocols FAQ:

School District of Fort Atkinson

1. What does it mean to be a “close contact” to someone who tested positive for COVID-19?

“Close contact” is with someone who has tested positive with COVID-19. Close contact is defined as:

- Contact within 3 feet for more than 15 minutes total in a day with a positive tested person. Exception: Students who were within 3-6 feet of the infected student if both students were engaged in the consistent and correct use of well-fitting masks.
- Physical contact with a positive tested person.
- Direct contact with respiratory secretions (i.e., coughing, sneezing, dirty tissue, shared utensils, shared food, or other personal items) of a positive tested person.
- Living with or staying overnight for at least one night in a household with a positive tested person.
- The above criteria apply regardless of face-covering use, face shields, or physical barriers, such as Plexiglas or plastic barriers.

***A school district notification of exposure in a school/grade/classroom does not necessarily mean close contact exposure has occurred. See**

2. How will I know if my child has been exposed to someone who tested positive for COVID-19?

Notifications will be sent to parents when there has been a possible exposure at school.

3. If my child was exposed to someone who tested positive for COVID-19, must other students in my child's household stay home?

No, not unless the other student(s) in the household have symptoms (*as outlined on the flowchart*) or they were also exposed.

4. When does the clock start on the 5 days of isolation/quarantine?

Exposures- Day 0 starts the day you had close contact with confirmed COVID-19, and day 1 is the first full day following the last close contact.

Symptomatic positive cases- Day 0 is the day of symptom onset, regardless of test date, and day 1 is the first full day following the day your symptoms start.

Asymptomatic positive cases- Day 0 is the day you were tested (*not the day you received your positive test result*), and day 1 is the first full day following the day you were tested. [If you develop symptoms](#) within the 5 days, the clock restarts at day 0 on the day of symptom onset.

5. Who does NOT need to Quarantine after a close contact exposure?

- Individuals ages 18 or older who have received all recommended vaccine doses, including boosters within the last 6 months
- Individuals ages 5-17 who have completed the primary series of COVID-19 vaccines.
- Individuals who tested positive for COVID-19 with a viral test within the previous 90 days who have recovered and remain without COVID symptoms

6. Where can I get a COVID-19 PCR test for my child or their household members?

Jefferson County also offers a variety of testing options which can be found on the [JCHD](#) website.

7. Who can I contact with other questions?

You can contact the school district nurse at schoolnurse@fortschools.org or call Elementary questions 920-563-7805 ext. 885 Middle & High School questions call 920-563-7805 ext. 8853
