

English as a Second Language at Purdy Elementary

The Meemic Foundation

The Meemic Foundation

- Funded and created by the Meemic Insurance Company
- Nearly \$1,500,000 put into educational programs for private, public, and charter schools.
- In 2015, Meemic Insurance celebrated its 65th anniversary. They provided over \$100,000 to support Back-to-School Grants.
- This is the grant that I received for our Purdy ELL students.

What did we buy?

- Typical school supplies
 - scissors
 - glue
 - crayons
 - markers
 - notebooks
- Paint to create our chalkboard globe
- Materials to create crate seats

Kohl's Cares Field Trip Grant Program

- Allows us to take experiential and educational trips.
- This year
 - Betty Brinn Children's Museum (1st-3rd)
 - Discovery World (3rd-5th)
 - Milwaukee Zoo (K-5)

One of the greatest things...the parents get
very involved!

In May, all of
the ELL
students at
Purdy will
be going to
the Milwaukee
Zoo!

In addition...

- With money provided from our district, I have been able to purchase Spanish language/bilingual books for students to check out from my classroom library.
- Parents love this as they are able to read with they kids at home in their native language.
- This is geared towards the 1st and 2nd graders but, other students have taken books home per parent requests.

Questions?
