*Numbers in (ORANGE) represent Summer 2014 Offerings

Programming Improvements

Elementary

- New non-competitive sign-up process
- Offered sections of classes based on number of requests - assuring students got into the classes they wanted
- Added elementary camps located at different buildings / locations
- Opportunity for parent feedback at end of session

Secondary

- Expanded credit recovery offerings
- BlendEd structure for students with on-site teacher support

Safety Improvements

- New Elementary Summer School Open House
 - Time for families to go through schedules and familiarize themselves with the building
 - New Mini Kindergarten welcome program
- Better access to student information through Power School
- Summer School Staff Member ID Badges
- K-2 Student Badges with Schedules
- Lock down of doors during the summer school session
- Implementation of drills during summer school session

Next Steps ...

- Continue to align our summer school practices and programming to how they are delivered during the school year
- Seek and expand offerings to include innovative and attractive offerings to our students and families
- Continue to look for program efficiencies and safety improvements
