Highlights

- ❖ Continuation of CLC instruction provided after Summer School hours
- ❖ Continuation of Boys and Girls Club running after Summer School session
- ❖ Integration of students with cognitive disabilities into Enrichment classes
- ❖ Support for students with behavioral needs
- ❖ Offering of "camps" ~ classes that were offered outside of the traditional Summer School session from 8-12.

Thoughts for next year

- ❖ More advertising right away with the "camp" style classes
- ❖ Being cognizant of technology needs with the increase of technology equipment during Summer School
- ❖ Continue to improve communication with all buildings involved in Summer School
- ❖ Consult with Special Education teachers before Summer School about students of concern
