

# 2013-2014 CALENDAR DRAFT

School District of Fort Atkinson

# Calendar Information

- We started with the premise to have graduation on the 2<sup>nd</sup> Sunday in June.
- Same number of days worked for teachers and days of instruction for students as our current calendar.
- The two “flex” days that can be allocated in the calendar are the two compensation days for parent / teacher conference nights – they were assigned to:
  - Wednesday prior to Thanksgiving
  - Good Friday
- In order to achieve a last day of school prior to the 2<sup>nd</sup> Sunday of June, the following needed to be eliminated or moved within the calendar:
  - The non-paid former 2 “WEAC” vacation days in October have been eliminated from this calendar.
  - The paid SWEIO day in February has been relocated to Monday, June 9. Teachers will have this as a required (paid) workday; however, if he/she has completed his/her report cards and check out requirements, he/she can choose to utilize a personal day on Monday, June 9.
