Academic Goals for the School District of Fort Atkinson

In aspiring to remain a great school system, it is a goal of the School District to continue efforts to provide academic successes for all of our learners.

Academic Agenda

1. Implement measurable and effective interventions to meet the needs of all learners (4K to grade 12) utilizing the Response to Intervention (RTI) model for the areas of reading and math.
2. Continually infuse current technology into our instructional programming and practice.
3. Explore and implement alternative programming and or scheduling that may better serve our students in meeting our District mission. .
4. Develop district beliefs on differentiation and implement strategies to best meet the needs of our learners.
5. Continue guiding professional learning communities through the 3 Questions:
 - A. What is it we want students to learn? (alignment)
 - B. How will we know if they learned it? (assessment)
 - C. What will we do if students need more help or more challenge? (interventions)
6. Revise and establish a new elementary science program.
7. Establish connections and agreements in implementing School-to-Work programs with local and regional businesses and industries that enhance the work force and provide graduates with gainful employment and/or educational opportunities after high school.
8. Strengthen assessment practices through consistent letter grade definition and creation of support documents that communicate students' learning relative to curricular goals.

9. Establish a Student Growth Performance Measure (i.e. – MAP Assessment) to determine how much academic growth and progress a student has made from a beginning point in a school year to the next point of measurement (middle of the year or the end of the year).
10. Streamline collection, storage and reporting of district data to maximize meaningful data utilization.
11. Maintain emphasis on K-12 reading instruction.
12. Diversity: Continue to work on building learning communities where respect and honor are readily recognized as a signature characteristic of the School District of Fort Atkinson.

Fiscal Goals

1. We will continue to maintain and enhance programs, services, and opportunities for each student through focusing on effective fiscal management practices and organizational efficiency.

4. We will examine the fiscal implications of maintaining and/or utilizing the District's fund balance to leverage these funds to the maximum advantage of the District.
5. We will allow the financial resources of the District to adapt to the ever-changing needs of our student population and the community, thus ensuring those resources are utilized in the most efficient manner possible.

Building and Grounds Goals

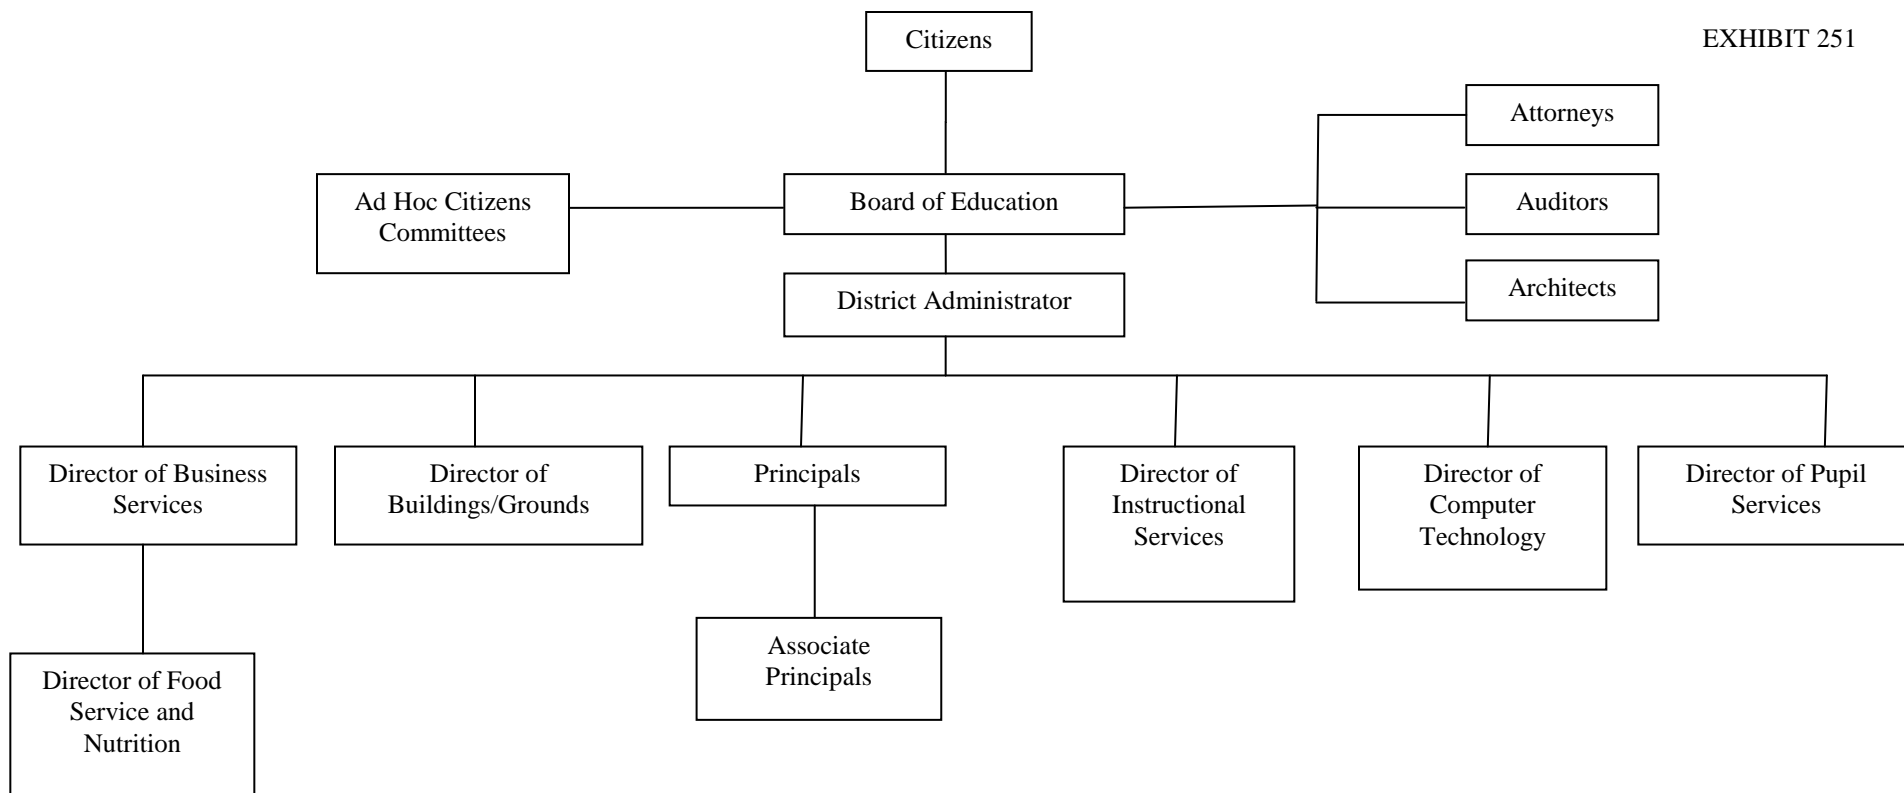

1. Update five and ten-year building maintenance plans for the District.
2. Pursue additional energy saving measures.
3. Continue upgrading the District roofs for wear and energy efficiency.
4. Assess all masonry and establish a restoration and budgetary plan.

Communication Goals

1. Effectively communicate with all internal and external stakeholders through all mediums available to us.
 - A. Explore additional options for effective communication. (Survey parents during fall registration to discover their preferred methods of receiving district communications. How

many are on Facebook? Twitter? Do they prefer emails at work or at home? Would a traditional mailed letter be more effective? How many have internet access at home? How many are primarily Spanish-speaking? We won't get any better at communicating if we don't know what our primary audience prefers).

- B. Improve existing communication tools. Assign a specific individual or individuals to be responsible for our website, as we have no "webmasters."
 - C. Educational Minutes on WFAW: Explore a possible Sponsorship that would consider supporting a weekly "educational minute" on WFAW where we have 60 seconds to highlight a particular accomplishment our district has achieved.
- 2. Continue a marketing plan where students, staff, and citizens give testimonials related to their experiences with the Fort Schools using all available media.
 - A. Develop district marketing and communication standards. Develop a short communication "standard" that stipulates the basic essentials every communication needs to contain.
 - 3. We will frequently communicate to all stakeholders in a pro-active manner, the school district's financial position.
 - 4. Present parental outreach programs that are informational and valuable in assisting them in their efforts.
 - 5. Encourage open dialogue with parents and citizens at both the District and building levels on topics of interest among all in our learning communities.
 - 6. Work with the Chamber of Commerce, businesses, and local and regional government officials in maintaining positive and supportive relationships.

Requests for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act from current employees must be made in writing in accordance with District policy.

1. Electronic communications are protected by the same laws and policies and are subject to the same limitations as other types of media. When creating, using or storing messages on the network, the user should consider both the personal ramifications and the impact on the District should the messages be disclosed or released to other parties. Extreme caution should be used when committing confidential information to the electronic messages, as confidentiality cannot be guaranteed.
2. The District may review email logs and/or messages at its discretion. Because all computer hardware, digital communication devices and software belong to the District, users have no reasonable expectation of privacy, including the use of email, text-message and other forms of digital communications, e.g. voicemail, Twitter™, Facebook™, etc.

The law and respect for our students require that student issues are only discussed with employees and parents who need to know the information. In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for District records shall be referred to the appropriate administrator.

3.08 Conflict of Interest

A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the District. - A. Gifts: An employee or a member of the employee's immediate family may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone other than the District that a reasonable person would understand was intended to influence official action or judgment of the employee in executing decision-making authority affecting the District, its employees or students. It shall not be considered a violation of this policy for an employee to receive entertainment, food, refreshments, meals, health screenings, amenities, foodstuffs, or beverages that are provided in connection with a conference sponsored by an established or recognized statewide association of school board officials or by an umbrella or affiliate organization of such statewide association of school board officials. Exceptions to this policy are acceptance of minor items, which are generally distributed to all by companies through public relations programs. Teachers should accept only gifts of token value from students. See Policy 524 – Staff Gifts:

<http://www.fortschools.org/schoolboard.cfm?subpage=518244>

It is the District's policy for individuals to decline gifts, gratuities or favors from any outside organization or individual doing business or seeking to do business with the District. Gifts that are intended for the benefit of the District should be referred to the District Administrator for proper processing under the District's policy on gifts and solicitations and the terms of § 118.27, Wis. Stats.. Gifts of nominal or of insubstantial value and services offered for a reason unrelated to the employees' position and which could not reasonably be expected to influence a decision could be accepted. Larger gifts to employees as an individual and gifts of more than a nominal or insignificant value should be graciously declined. Please refer to Policy 524 – Staff Gifts: <http://www.fortschools.org/schoolboard.cfm?subpage=518244> for information on conflicts of interest and for gifts and solicitations and § 19.59, Wis. Honesty is a core value in the District. Employees shall not create any intentional inaccuracies verbally or on official District documents such as time sheets, job applications, pupil records, etc.

3.21 Investigations

- A. Expectation of Cooperation: In the event of a District investigation or inquiry, every District employee has an affirmative duty to provide to his/her supervisor(s) or any other District official assigned to investigate all relevant and factual information about matters inquired except as provided for below in paragraph “B”. Employees failing to volunteer such information shall receive a directive from an administrator to provide a statement. The employee’s failure to comply with the directive may constitute “insubordination,” a violation that will be grounds for disciplinary action up to and including termination.
- B. Investigation interplay with potential criminal conduct: If the alleged misconduct may constitute criminal conduct by the employee, the employee may be provided a *Garrity* warning. *Garrity v. New Jersey*, 385 U.S. 493 (1967).

Employees are expected to know the expiration date of their license/certification and meet the requirements for re-licensure or certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts shall terminate if, and when, the authority to teach terminates.

3.23 Nepotism

- A. Applicants for employment in the District shall be selected without regard to a relationship by affinity or consanguinity, which they may have with a current employee of the District. However, to avoid possible conflicts of interest, which may result from employment procedures, an employee who is related by affinity or consanguinity to another employee or applicant shall not participate in any decision to hire, retain, promote, evaluate or determine the salary of that person.
- B. Definition: For the purposes of this *Handbook*, a "relationship by affinity" is defined as one that includes, but is not limited to, a relationship which an individual has with his or her spouse, designated partner, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, adoptive sibling, adoptive child, adoptive parent, adoptive first cousin, a financial dependent or co-dependent [for example sharing the same place of residence]. A "relationship by consanguinity" is defined as a relationship which an individual has with a blood relative that extends to first cousin. The phrase "decision to hire" includes every aspect of the hiring process.

- C. Employee Reporting Requirements: Should a District employee be called upon to participate in a decision to hire, retain, promote, evaluate, or determine the salary of a person related to him or her by affinity or consanguinity, as defined above, the employee shall refrain from participating in such decision and shall instead delegate his or her decision making authority regarding that person to the District Administrator or his or her designee. Should the District Administrator be called upon to participate in a decision to hire, retain, promote, evaluate or determine the salary of a person related to him or her by affinity or consanguinity as defined above, he or she shall refrain from participating in such decision and shall instead delegate his or her decision making authority in regard to the employment status of that person (i.e., decision to hire, retain, promote, evaluate, etc.) to another employee of the District.

- A. Allowances or Mileage Reimbursement: The District will reimburse mileage at the current rate as determined by the IRS, unless other allowances have been made with the employee.
- B. Traffic Violations: Payment for any citations received while driving a District vehicle is the responsibility of the driver.
- C. Commercial Driver's License (CDL): In addition to the notice requirements in paragraph A, above and pursuant to CDL Requirements, a CDL driver must notify his/her employer, in writing and within 30 days, of a conviction for any traffic violation regardless of the type of vehicle being driven at the time of the violation.
- D. Drivers: All drivers of motor vehicles owned by the District and used for the transportation of pupils shall be under written contract with the Board. *See* WIS. STAT. § 121.52(2).
- E. Personal Transportation Utilized for School Use

1. Car Insurance

Employees who transport students for school activities in their cars shall carry minimum insurance policy limits of \$250,000 combined single limit (CSL) liability, \$100,000/\$250,000 bodily injury and \$100,000 property damage. A minimum of private car transportation will be utilized. Employees must notify and receive approval from the building principal prior to transporting students in private cars for school activities. Such approval shall be in compliance with all applicable state and federal laws and administrative code provisions and shall include, but not be limited by enumeration, a review of the employee's driving record and an examination of the vehicle. *See* Wis. Stats. § 121.555.

2. Personal Vehicle Reimbursement

Damage to personal vehicles while used as authorized above for transporting students for school activities may be reimbursed by the District, in its discretion, provided the District's maximum reimbursement shall not exceed the deductible amount to a maximum deductible amount of five hundred dollars (\$500.00). No such reimbursement shall be provided where the employee is found to be liable in any degree for the damage to the personal vehicle.

3.25 Outside Employment

Outside employment is regarded as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the District as long as such employment does not interfere with assigned

school duties as determined by the District. The Board of Education expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the District's position require; nor will an employee use any District facilities, equipment or materials in performing outside work. When the periods of work are such that certain evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment.

3.26 Personal Appearance/Staff Dress Code

District employees are judged not only by their service but also by their appearance. It is the District's expectation that every employee's appearance is consistent with the high standards we set for ourselves as a District. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene. Remember, to our students, parents and the public, employees represent the District.

The District expects that all employees are neat, clean, and wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school employees that the principal or supervisor considers disruptive, inappropriate, or which adversely affects the educational atmosphere.

3.27 Personal and/or District Property

- A. Liability: The District does not assume any responsibility for loss, theft or damages to personal property. In order to minimize risk, the District advises employees not to carry unnecessary amounts of cash or other valuables. If employees bring personal items to work, they are expected to exercise reasonable care to safeguard them. The District is not liable for vandalism, theft or any damage to cars parked on school property. The District carries no accident insurance or other insurance coverage for any loss or injury for which the District does not have legal responsibility.
- B. Search of Personal Effects: Employees should have no expectation of privacy to items contained in plain view, for example, but not limited by enumeration to automobiles parked on the District's property, items left on top of or within desks and cabinets, lockers, etc. Items not in plain view and contained within personal property, e.g. purse, satchel, wallet, coat, backpack, etc., may be searched in accordance with applicable state and federal law.
- C. District Property: Employees shall have no expectation of privacy with respect to any item or document stored in or on District-owned property, which includes, but is not limited to, desks, filing cabinets, mailboxes, lockers, tables, shelves, and other storage spaces in or out of the classroom. Accordingly, the District may at any time and in its sole discretion conduct a search of such property, regardless of whether the searched areas or items of furniture are locked or unlocked.

3.28 Personnel Files

An employee shall have the right, upon request and consistent with the timelines and content limitations specified in state law, to review the contents of his/her personnel file, while in the presence of the administrator or his designee. The employee shall be entitled to have a representative accompany him/her during such review. This examination must be accomplished in the presence of the person officially charged by the District Administrator with custody of those files. The removal of this file from the safekeeping place will be done by the official personnel file custodian. The employee's personnel file or any part thereto may not be removed from the visual presence of the official custodian. An employee shall have the right, upon request, to receive copies of any documents contained in the personnel file except those delineated in § 103.13(6), Wisconsin Statutes, at the District's expense. The District shall not establish any separate personnel file which is not available for the employee's inspection.

If the request to review personnel records is pursuant to an active grievance filed by that employee, the District will provide copies of the records to the employee, at the employee's expense.

After reviewing his or her personnel records, the employee has the right to request that records he or she believes to be inaccurate or obsolete be removed from his or her file. If the District denies the request, the employee has the right to file a written rebuttal statement and have that rebuttal attached to the disputed record. If the District intends to release the disputed record to a third party, the District must also release the attached employee rebuttal statement to the third party. § 103.13(4) Wis. Stats.

No material derogatory to an employee's conduct, service, character, or personality shall be placed in his/her personnel file unless the employee has had an opportunity to review the material. The employee shall acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The employee shall also have the right to submit a written answer to such material and his/her answer shall be reviewed by the District Administrator or his/her designee and attached to the file copy.

The District agrees to protect the confidentiality of personal references, academic credentials, and other similar documents received prior to the employee's initial employment.

3.29 Personnel – Student Relations

All District personnel will recognize and respect the rights of students, as established by local, state, and federal law. Employees shall, at all times, maintain a professional relationship and exhibit a professional demeanor in their interactions with students. Further, employees shall refrain from engaging in any actions or conduct of a sexual nature (verbal or physical) directed toward a student, including, but not limited to, sexual advances, activities involving sexual innuendo, or requests for sexual favors or sexually explicit language or conversation. Employees shall not form inappropriate social or romantic relationships with students, whether consensual or otherwise, at or away from the work place. - A. Examination: Upon initial employment and thereafter, physical examinations shall be required of District employees in accordance with section 118.25 of the Wisconsin statutes. Upon initial employment, evidence that employees are of sound health, sufficient to perform the essential functions of their assignment, is necessary to make binding the offer of employment or the initial contract, as applicable, with the District.
- B. Fitness for Duty: The District may require a physical and/or mental examination at the expense of the District where reasonable doubt arises in the minds of the District concerning the current health of the employee, and consistent with the limitations imposed by applicable state and federal law. Failure to comply with this request or failure to provide a doctor's certification of sufficiently sound health to perform duties assigned may result in discipline up to and including discharge/termination.

- E. No staff member may solicit or receive from any officer or employee of a political subdivision of this state any contribution or service for any political purpose during established hours of employment or while the officer or employee is engaged in his or her official duties.
- F. The above does not apply to school employees in connection with any election, referendum or legislation where authorized by the school board or district administrator and where consistent with legal limitations.

The protection against retaliation does not limit the District from taking disciplinary or other employment action, including termination, against an employee where that discipline or employment action is not based on the employee's filing of a good faith complaint. Nothing herein shall limit or diminish an employee's protections against retaliation for filing a complaint, or participating in an investigation or legal proceeding, if such actions are protected by state and/or federal law.

Notification of Safety and Health Standards: Wisconsin Statute § 101.055 requires the Wisconsin Department of Commerce to adopt and enforce safety and health standards that will provide protection to public employees at least equal to that provided to private sector employees under standards promulgated by federal Occupational Safety and Health Administration (OSHA). A District employee who believes that a safety or health standard is being violated, or that a situation exists which poses a recognized hazard likely to cause death or serious physical harm, may request the District to conduct an internal review of the matter. Furthermore the employee may request the Wisconsin Department of Commerce to conduct an inspection.

- E. Workplace Safety Definition for Grievance Procedure: In accordance with relevant state law, the grievance procedure established by the District permits employees to file grievances over workplace safety. For purposes of that procedure, the following guidelines shall apply:
 - 1. A grievance can be filed over workplace safety only if the safety of at least one employee is involved (as opposed to the safety of students or visitors).
 - 2. The issue must concern the safety of a person (e.g., not the “safety” of one’s vehicle or other personal possessions).
 - 3. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).
 - 4. The individual(s) filing the grievance must propose a specific remedy.

D. **Reporting Procedure:** An employee who is the victim of violence, believes he/she has been threatened with violence, or witnesses an act or threat of violence towards anyone else shall take the following steps:

1. If an emergency exists and the situation is one of immediate danger, the employee shall contact the local law enforcement by dialing 9-1-1, and may take whatever emergency steps are available and appropriate to protect him/herself from immediate harm, such as leaving the area.
2. If the situation is not one of immediate danger, the employee shall report the incident to the appropriate supervisor or his/her designee as soon as possible.

An employee who has received a restraining order, temporary or permanent, against an individual, who may impact the employee at work [e.g. verbal or physical contact or proximity has been prohibited or restricted], shall immediately supply a copy of the signed order to his/her supervisor. The supervisor shall provide copies to the other appropriate supervisors and inform other employees on an as-needed basis.

E. **Investigation and Investigation Findings:** The District will investigate all complaints filed and may investigate in other situations where no complaint was filed but was brought to the District's attention. In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and the investigation, but may need to disclose results in appropriate circumstances; (e.g., in order to protect individual safety or to conduct an adequate investigation). The District will not tolerate retaliation against any employee who in good faith reports workplace violence.

SECTION 5. GRIEVANCE PROCEDURE

5.01 Purpose

The purpose of this Section is to provide for the exclusive internal method for resolving grievances concerning discipline, termination and workplace safety. The grievance procedure is not intended to address all disputes that may arise. Other disputes may be addressed according to the applicable handbook provision or District policy. A determined effort shall be made to settle any grievance at the lowest possible level in the grievance procedure.

5.02 Definitions

- A. Grievance: A "grievance" is defined as any complaint that arises concerning discipline, termination or workplace safety.
- B. Grievant: A "grievant" may be any employee or group of employees.
- C. Day: The term "days" as used in this Section shall mean Monday through Friday excluding District determined holidays.

5.03 Time Limits

The time limits set forth in this Section shall be considered as substantive, and failure of the grievant(s) to file and process the grievance within the time limits set forth in this Section shall be deemed a waiver and a settlement of the grievance. The number of days indicated at each level should be considered a maximum. The time limits specified may, however, be extended by the mutual consent of the District and the grievant(s). The parties may, through mutual consent, agree to start the grievance at a higher step if the grievance involves termination and is initially filed in a timely manner pursuant to the timelines set forth below.

5.04 Grievance Processing Procedure

Grievances shall be processed in accordance with the following procedure:

Step One - Informal Resolution: An earnest effort shall first be made to settle the matter informally between the employee and the immediate supervisor. A grievance may be initiated through an informal meeting and discussion with the immediate supervisor, the employee and the employee's designated representative(s). The informal meeting and discussion shall occur within ten (10) days after the facts upon which the grievance is based first occurred. The immediate supervisor will give an answer to the grievance. The grievant(s) shall be required to state the purpose of the discussions and event(s) upon which the discussions are based. The immediate supervisor shall notify the grievant(s) and (if applicable and appropriate) the representative(s) of his/her answer within ten (10) days. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file a written grievance.

Step Two - Written Grievance: If the grievance is not resolved at Step One, the grievant(s) shall file a written grievance with the immediate supervisor within ten (10) days of the response in Step One above or if no response is provided within ten (10) days of the deadline for the response. The written grievance shall include the facts upon which the grievance is based, the issues involved, the dates, the specific *Handbook* and policy provisions that were allegedly violated that triggered the discipline, workplace safety or termination issue and the relief sought. The grievance shall be signed and dated by the grievant(s). The immediate supervisor shall respond to the grievance in writing within ten (10) days. However, if there is an ongoing investigation related to the subject matter of the grievance, the immediate supervisor shall have until ten (10) days after completion of the investigation to respond to the grievance. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the District Administrator.

If the grievant's immediate supervisor is the District Administrator, the grievant shall skip Step Three and proceed directly to Step Four if he/she is not satisfied with response of his/her immediate supervisor at Step Two (or if no answer is provided in the above timeframe).

Step Three - Appeal to District Administrator: If the grievance is not resolved at Step Two, the grievant(s) may appeal the written grievance to the District Administrator within ten (10) days after the response at Step Two or if no response is provided within the timeframe outlined in Step Two. The District Administrator shall meet with the grievant(s) and/or the employee's designated representative(s) and the principal or immediate supervisor within ten (10) days after receiving the written grievance. The District Administrator shall respond to the written grievance within ten (10) days of the meeting or at a later date as determined by the District Administrator if further investigation is warranted. The District Administrator shall indicate in writing the disposition of the grievance and forward it to the grievant(s) and (if applicable and appropriate) the grievant's representative(s). If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the impartial hearing officer.

Step Four - Appeal to Impartial Hearing Officer: If the grievance is not resolved in Step Three, the employee must notify the District Administrator, within ten (10) days after receipt of the District Administrator's answer or if no response is provided within the timeframe outlined in Step Three, if he or she intends to process the grievance to an impartial hearing officer. The impartial hearing

officer shall be a reputable expert in the field of the issue being grieved. The District is open to suggestions for the selection of the hearing officer and the possibility of sharing the costs with the grievant(s).

If there is a dispute over the timeliness or the ability to use the grievance procedure on the issue, the Administration shall have the discretion to bifurcate the hearing for the purpose of deciding those issues (i.e. address whether the grievance was filed in a timely manner before hearing the merits of the grievance or address whether the content of the grievance is properly before the impartial hearing officer).

Step Five – Appeal to Board of Education: If the grievance is not resolved at Step Four, the grievance may be appealed to the School Board within ten (10) days after the decision at the prior step. Either the Administration or the grievant(s) may appeal an impartial hearing officer's decision to the Board.

The Board shall meet with the parties to review the evidence and hear testimony relating to the grievance. At the hearing, each party may cross-examine any witness of the other party. If either party presents an exhibit that was not presented at a prior step of the grievance process, the exhibit must be provided to the other party at least twenty-four (24) hours prior to the hearing.

The Board shall render a written decision that affirms, reverses, or modifies the decision of the hearing officer (or, if applicable, of the District Administrator). Such decision shall be rendered within ten (10) days from the date of hearing unless pending circumstances prevent such, and shall be sent to the Administration, the grievant(s), and (if applicable) the grievant's representative(s). The Board's decision is final and may not be appealed. All Board actions throughout this process shall comply with requirements of Wisconsin's Open Meetings Law.

5.05 Grievant's Right to Representation

Any grievant may be represented at all stages of the grievance procedure by no more than three (3) representatives of his/her own choosing.

5.06 Consolidation of Grievances

Grievances of the same type, and with similar fact situations, may be consolidated at the discretion of the Administration.

5.07 Group Grievances

Group grievances are involving more than one employee and involve any of the following:

- A. More than one work site;
- B. More than one supervisor; or
- C. An Administrator other than the immediate supervisor

Such grievances may be initially filed at Step Three; however, they shall follow the initial timelines for filing the grievance at steps One and Two above.

5.08 Retributory Action by Employer

No grievant shall be the subject of disciplinary, discriminatory or retributory action because he/she has filed a grievance.

SECTION 6. PAY PERIODS

- A. School Year Employees:

1. Annualized Payroll: All non-timesheet employees scheduled to work the school year may voluntarily request to be paid on a twelve (12) month payroll cycle as set forth in subsection 2, below. Employees shall have the opportunity to participate in the District's Internal Revenue Service (IRS) Code 403(b) Savings Program and invest their money through salary deferral in annuities and other qualifying IRS Code 403(b)(7) investment vehicles (collectively referred to as an "Investment Vehicle").
- B. The purchase of the annuity will be optional for the individual employee. The employee may make 403(b) elective salary reductions in one or both of the following ways:
 1. Pre-tax dollars (salary reduction, also known as "regular" TSA contributions) or
 2. After tax dollars (also known as "Roth" TSA contributions).
- C. Employees will be permitted to have their contribution remitted via payroll deduction to an Investment Vehicle offered by a vendor listed as a District-approved vendor, as required by the IRS Code and as directed by the District's plan document.
- D. A vendor becomes a District-approved vendor by meeting the requirements set forth by the District which include, but are not limited to, the vendor signing a District approved Hold Harmless Agreement and at least three (3) employees submitting the salary reduction agreement citing an investment with that vendor. The District may ask for proof of vendor registration from the employee to ensure a District approved vendor has been chosen. If at any time there are no active employees contributing to a particular vendor, that vendor may be removed from the District approved vendor list.

- E. The amount to be deducted is selected and the determination made wholly by the person choosing to participate in the Savings Program.
- F. The District will transmit to the TSA vendor(s) the amount of the salary deferral elected by the employee on or about the date the money is deducted from the employee's paycheck, provided that the District receives the appropriate invoice from the vendor. In unforeseen circumstances, transmittals will be made no later than fifteen (15) business days following the end of the month in which the amount would have been paid to the participant.
- G. Employees may choose to defer a specific dollar amount up to the amount permitted by law. The salary reduction limit (402(g)(1)), the age fifty (50) additional deferral (414(v)(2)(B)(i)), and the "catch up" provision (402(g)(7)) for employees with fifteen (15) or more years of service may change annually.
- H. The salary reduction limits will be adjusted from time to time to conform to statutory limits.
- I. Catch-Up Contributions
 - 1. Documentation will only be required where the employee's total (and Age 50+) deferrals for the calendar year are in excess of the 402(g) limits.
 - 2. The employee agrees to provide documentation certifying compliance with applicable IRS rules and regulations from the Employee's TSA vendor within thirty (30) calendar days if requested by the District.
 - 3. The District agrees to provide the employee, upon written request, with timely information available from the District's records, which is necessary to enable the employee to make catch-up deferrals.
- J. General:
 - 1. The employee shall be permitted to change the TSA amount or vendor provided he/she provides the District with proper prior notice. The District shall make the change to the contribution as soon as practicable.
 - 2. In no event shall the employee's contribution exceed one hundred percent (100%) of the employee's compensation less payroll and other required deductions. Employee and employer contributions are 100% vested and non-forfeitable at all times.
 - 3. New loans from the TSA plan are not permitted.
 - 4. Hardship withdrawals are not permitted.
- K. Salary Reduction Agreement:
 - 1. Employees will be required to sign an agreement to authorize TSA deductions from salary. The current agreement can be found on the District's website at: <http://www.fortschools.org/departments.cfm?subpage=212139>. The District, without the consent of the employee, is authorized to modify the salary reduction agreement to comply with applicable legal requirements. The District will provide the employee with reasonable notice concerning any such modification.

2. A change in a beneficiary designation shall take effect when the election is accepted by the Vendor.
 3. The Employee acknowledges the District made no representation to the Employee regarding the advisability, appropriateness or tax consequences of any salary reduction agreement, participation in a tax sheltered annuity, or the company which issues the annuity contract or which invests the Employee's salary reduction funds. The Employee agrees the District shall have no liability whatsoever for any loss, solvency, operation or benefits provided by the TSA vendor.
- L. Deferred Compensation: Employees may defer salary through the Wisconsin Deferred Compensation Plan (457). The plan limitations and salary deferral rights will be those permitted by the TSA unless the Deferred Compensation plan's rules are in conflict, in which case the Deferred Compensation rules shall apply.
- M. Information pertaining to the District's TSA program can be found on the District's website at: <http://www.fortschools.org/departments.cfm?subpage=212139>.

Such payments shall be subtracted from an employee's accumulated reimbursable absence on the nearest half (1/2) day basis. When such leave is exhausted, this supplement shall terminate. The Worker's Compensation supplement provided for in this Section may be refused by the employee at his/her discretion.

The employee, subject to the rules and regulations of the carrier, may be eligible for long-term disability leave.

However, any employee who is absent for jury service shall be obligated to:

10.02 Seniority/Length of Service during Uniformed Services Leave

Employees shall continue to accrue length of service for wage/salary increments, if applicable, and all other purposes where length of service is a factor. The employee's absence shall not be construed as a break in service for any purpose.

An employee may schedule an appointment for the Health Risk Assessment off-site directly with the health provider chosen by the District.

11.10 COBRA Law Continuation of District Health Plan Participation

The District, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the District's health and dental insurance plan at the group rate in certain instances where coverage under the plan would otherwise end.

- A. **Qualifying Events:** An employee, employee's spouse and an employee's dependent children (if any) covered by and participating in the District's health insurance plan (medical and dental), may qualify for continuation coverage if District sponsored coverage is lost due to the occurrence of any of the following qualifying events:
 - 1. Voluntary or involuntary termination of employment for any reason other than "gross misconduct." (e.g., resignation or retirement);
 - 2. Death of the covered employee;
 - 3. Divorce or legal separation from the covered employee;
 - 4. Loss of "dependent child" status;
 - 5. Eligibility for Medicare entitlement;
 - 6. Reduction in work hours such that the employee no longer qualifies for coverage under the plan.
- B. **Period of COBRA Continuation:** In the event of one of the above qualifying events, COBRA coverage is available for up to eighteen (18) months, but may be extended to a total of twenty-nine (29) months in certain cases of disability (*see* Disability Extension below) or up to thirty-six (36) months if a qualifying spouse or dependent suffers a second qualifying event. The employee, employee's spouse and each covered dependent has an individual right to request COBRA coverage. Additionally, any child born to or placed for adoption with a covered employee during a period of continuation coverage is automatically considered a qualified beneficiary.
- C. **COBRA Extension [Second qualifying events]:** A spouse or dependent child may be eligible for COBRA extension coverage for a period of up to thirty-six (36) months if coverage is lost due to one of the following second qualifying events:
 - 1. The employee's death;
 - 2. Divorce or legal separation;
 - 3. The covered employee becomes eligible for Medicare;
 - 4. A child loses his or her "dependent child" status.

***Note:** The second event can be a second *qualifying* event only if it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event.

- D. **Premium Cost & Payment:** The cost for this extended continuation coverage shall not exceed the group rate in effect for an active group member, including the District's contribution (i.e., the total amount the employee and District have been paying for health insurance coverage). If the cost for COBRA coverage changes during an employee's participation the employee will be notified of the new premium in writing prior to its due date.
- E. **Termination of Coverage:** Employee continuation coverage may be terminated automatically if:
1. The employee fails to make a monthly premium payment to the District on time;
 2. The employee obtains similar coverage through a different employer;
 3. The employee becomes eligible for Medicare and convert to an individual policy;
 4. The District terminates its health plan;
 5. The employee's guaranteed continuation period expires.

The employee or a qualified beneficiary has the responsibility to inform the District of a divorce, legal separation, or a child losing dependent status under the group health plan within sixty (60) days of the qualifying event. The District will then notify any other covered dependents that are affected by the event of their right to elect COBRA coverage.

COBRA participants must also notify the District if they experience additional COBRA qualifying events during their COBRA term that might qualify them for additional months of extended coverage.

- F. **Disability Extension:** If an employee elects COBRA continuation coverage based on termination of employment or reduction of hours, and the employee or a qualified beneficiary from his or her family becomes disabled (as determined by Social Security) anytime within the first sixty (60) days of COBRA continuation coverage, the employee and his or her family's qualified beneficiaries may elect a special additional eleven (11)-month extension, for a total of twenty-nine (29) months of COBRA continuation coverage. To elect the eleven (11)-month extension, the employee must notify the Plan Administrator within sixty (60) days of the date Social Security determines that the employee or a qualified beneficiary from his or her family is disabled and within the first eighteen (18) months of COBRA continuation coverage. The cost of COBRA coverage may increase during this additional eleven (11)-month extension period.

SECTION 12. WORK STOPPAGE

Employees of the District shall not engage in, condone, assist or support any strike, slowdown, or sanction, or withhold in full or in part any services to the District. In the event of a violation of this Section, the District may take whatever disciplinary action it deems appropriate up to and including discharge.

SECTION 13. CONFORMITY TO LAW

If any provision of this *Handbook*, or addendum thereto, is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any sections, or addendum thereto, should be restrained by such tribunal, the remainder of this agreement shall not be affected thereby.

SECTION 1. DISCIPLINE, TERMINATION AND NONRENEWAL

1.01 Procedure for Nonrenewal

Section 118.22(3), Wisconsin Statutes, shall apply on notice of nonrenewal. The following procedure shall be followed:

A. Purpose

The purpose of the following procedure is to assure full-time teachers (who are being considered for nonrenewal) in the School District of Fort Atkinson an opportunity to be heard by the Board before a determination of nonrenewal of the teacher's contract is made, and to assure the Board that all matters relevant to the matter of nonrenewal of the teacher's contract are presented for its consideration.

B. Preliminary Notice

The Board shall give preliminary notice to any teacher who is being considered for nonrenewal, pursuant to Wisconsin Statute 118.22(3). For purposes of this section, an employee is not on probation if he/she has completed four semesters of duties at the time the notice is given.

C. Steps for Notification

1. Teacher Request for Reason(s) of Nonrenewal with Timelines

Within five (5) days after receipt of preliminary notice, the teacher may file with the Board a request for a written statement of reasons for the proposed nonrenewal, if said statement is not contained in the preliminary notice. The Board shall furnish such statement to the teacher either personally or by certified mail within five (5) days after receipt of such request.

2. Teacher Request for Board Hearing with Timelines

Within five (5) days after receipt of the written reasons for the proposed nonrenewal or within five (5) days after receipt of the preliminary notice, the teacher may request that, in lieu of the statutory conference, a hearing be held by the Board on the matter.

3. Teacher Hearing Timeline Requirements

Upon receipt of the request for an open or executive hearing, the Board shall hear the matter within twenty (20) days thereafter.

D. Due Process Requirements of Hearing

The hearing shall be conducted in a manner to guarantee "due process" to the extent the teacher facing nonrenewal is entitled thereto under the Constitution of the United States, including:

1. Right to Examine

The right to examine, confront, and cross-examine witnesses, and

2. Right of Representation

The right to be represented by an attorney or other representative.

1.02 Length of Probationary Period for Teachers

A probationary teacher is one who is beginning/renewing his/her employment with the District. The probationary period will be two (2) years; however, at the sole discretion of the administration, the probationary period may be extended for one (1) year for the purpose of remediation and/or evaluation.

1.03 Standard for Discipline and Termination

A teacher may not be disciplined or terminated without just cause.

1.04 Representation

In the event any employee is called to a meeting with representatives of the District for the purpose of issuing discipline or discharge, or for the purpose of investigating circumstances which may lead to discipline or discharge, the District shall advise the employee of his or her right to representation prior to the meeting. In the event the employee chooses to have representation, the meeting may be delayed, at the discretion of the District, until appropriate representation may be obtained. Nothing in this provision shall prevent the District from removing an employee from the work place if immediate action is required.

SECTION 2. PROFESSIONAL HOURS/WORKDAY

2.01 Normal Hours of Work

Teachers are professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1)(L), Wis. Stats.

Although professionals' work is not limited to any specified number of hours or days per week, the "normal" hours of work for full-time employees in positions authorized as "40 hours per week" are considered to be eight (8) hours per day Monday through Friday including a duty-free lunch period. Teachers will be provided with a continuous duty-free lunch period equal to the students' lunch period except where the teachers are expected to supervise their students from the classroom to and through the lunch line. This supervisory responsibility will not exceed ten (10) minutes in duration. The actual workday for each building shall be established by the Board.

2.02 Administratively Called Meetings

Monday after school shall be reserved for meetings called by principals, supervisors, or the District Administrator. The first and third Wednesdays of each month after school shall not be reserved for administratively called meetings. This does not preclude meetings that may be necessary on other days of the week. Attendance at meetings called by principals, supervisors, or the District Administrator is compulsory unless specifically excused.

2.03 Attendance at School Events

Teachers are required to attend those school events as directed by administration. These events may include, but are not limited to an open house, music program, art show and/or other District or building events that occur after the normal workday. Teachers who have a co-curricular conflict or have pre-approved coursework to attend may be excused at the discretion of the District Administrator and/or his/her designee. Such conflict should be communicated to the applicable administrator as soon as possible.

2.04 Emergency School Closures

In the event the District is closed or an individual building(s) is closed, full or partial day closures may be made up at the discretion of the District. The District shall, at a minimum make up all days/hours necessary to guarantee the receipt of state aids and/or necessary to meet the minimum annual school year requirements (days and hours) of the State of Wisconsin. Teachers shall not receive additional compensation in the event the District requires such day(s)/time to be made up with or without pupils.

2.05 School Calendar

The school calendar shall be determined by the Board. The calendar shall consist of 187 days. The determination of the structure of the days, e.g. instructional, in-service, workdays, etc., shall be at the discretion of the Board.

SECTION 3. TEACHER SUPERVISION AND EVALUATION

3.01 General Supervision/Evaluation

The primary purpose of certified employee supervision/evaluation is to improve instruction. The process may also be used to make personnel decisions. All supervision/evaluation will be done by administrators licensed and/or certified by the State of Wisconsin.

A. Probationary Teachers

A probationary teacher is one who is beginning/renewing his/her employment with the District. The probationary period will be two (2) years; however, at the sole discretion of the administration, the probationary period may be extended for one (1) year for the purpose of remediation and/or evaluation. During each of the probationary years, the probationary teacher will be formally observed for not less than seventy-five (75) minutes, of which one formal observation must be a full class period. Each formal observation will be followed by a conference between the evaluator and the teacher; each formal observation will be followed by a written description of the results of the formal observation and conference. The conference shall be held within nine (9) working days; the written classroom supervision report will follow the observation within fifteen (15) working days.

B. Nonprobationary Teachers

At a minimum, nonprobationary teachers shall be formally supervised and evaluated every three (3) years. During the period of evaluation, the teacher will be formally observed for not less than sixty (60) minutes of which one formal observation must be a total of thirty (30) consecutive minutes. Each formal observation will be followed by a conference between the evaluator and the teacher; each formal observation will be followed by a written description of the results of the formal observation and conference. The conference shall be held within nine (9) working days; the written classroom supervision report will follow the observation within fifteen (15) working days.

C. Evaluation

Both probationary and nonprobationary teachers shall receive a written evaluation during any period they are formally evaluated. The evaluation format will be discussed prior to the onset of the evaluation process with those teachers being evaluated. This written evaluation shall be based on a Board adopted job description, and shall include observation of the individual's performance as part of the evaluation data.

D. Nonrenewal of Nonprobationary Teachers

Whenever a question of nonrenewal is raised, such questions shall be raised no later than the end of the first semester and shall follow no less than two (2) conferences between the evaluator and the teacher. An additional conference among evaluator, teacher, District Administration, and if desired by the employee, a representative of their choice to be a silent observer, shall be held before any recommendation is made to the Board regarding a nonrenewal of the teacher's contract. If an evaluator determines that a nonprobationary teacher may be subject to nonrenewal, the evaluator shall prepare a remediation plan for that teacher. Nonprobationary teachers who do not make reasonable progress on the remediation plan are subject to nonrenewal procedures.

SECTION 4. TEACHER ASSIGNMENTS, VACANCIES AND TRANSFERS

4.01 Teacher Certification

Teachers will be assigned to teach only in those areas in which they are certified.

4.02 Vacancies, Transfers, and Reassignments

A. Giving Notice of Vacancies of Nonadditive Pay Positions

Notice of vacancies or newly created contractual positions which are not covered by the “Co-Curricular Schedule” (Appendix B) shall be published by posting on the official bulletin board in each building and the District’s web page as soon as practicable following the receipt of written notice of vacancy or decision to create a new position. Such notice shall include a description of the position and the name and location of school or schools.

B. Transfers

From October 1 through May 31, all applications for vacancies or newly created positions shall be made in writing to the District Administrator within five (5) school days of such publication. Within five (5) school days after receipt of application, the District Administrator, after an individual conference with the teacher, shall act upon the request and his/her determination shall be final and binding.

Teachers who desire a change in grade and/or subject assignment or who desire a transfer to another building (unrelated to a vacancy or newly created position) may file a written statement of such desire with the District Administrator on or before February 28. Whenever such request can be considered, the District Administrator shall hold an individual conference with the teacher or teachers and act upon the request. The District Administrator’s determination shall be final and binding.

C. Reassignments

Whenever it becomes necessary to reassign a teacher or teachers because of changes in enrollment and/or subject registration, principals shall be responsible for reassignments within their jurisdiction. All reassignments will be made after consultation with staff members concerned and shall be in their area of certification.

4.03 Liquidated Damages for Failure to Perform

Having signed a contract for an ensuing school year, a teacher who fails to perform thereunder (unless discharged or medically unable to perform), or who requests release therefrom after June 30, shall pay to the District a sum of three hundred dollars (\$300), or after July 31 shall pay to the District a sum of five hundred dollars (\$500), or on or after the first day of the particular teacher contract year shall pay the District a sum of one thousand dollars (\$1,000) as the reasonable and foreseeable costs of securing a replacement, unless the Board waives such payment upon request for extraordinary circumstances. The Board may condition acceptance of a request for release from contract upon payment of such sum.

It is further agreed the District may withhold such sum from payment of any monies yet to be paid to the teacher, but this shall not be construed to be the exclusive manner of enforcement of this provision.

4.04 Teaching Summer School

Except for classes developed by non-district teachers, district teachers will be offered the opportunity to teach summer school before non-district teachers. The pay for district teachers shall be at the curriculum rate.

Each approximately fifty-minute (50-minute) period taught shall constitute one hour. The contracted summer school payment amount shall be paid in accordance with the teacher's summer school contract.

4.05 Extended Contracts

Additional contract days may be added to the contracted school calendar for each teacher at the discretion of the District. Teachers shall be compensated for said days at their individual contracted per diem rates of pay for each of the extended contract days. Days may be scheduled in full or partial day increments.

4.06 Job Share

A. Definition

"Job Sharing" is hereby defined as a voluntary program, instituted by the District whereby two teachers share one (1) full time equivalent position.

B. Eligibility

1. Teachers must be fully certified to teach the subject/grade levels involved in the job share.
2. Application

Eligible teachers who wish to be considered for job sharing as a team should submit a joint application to the District Administrator prior to February 1 for job sharing intended to be effective for the following school year. Applications will be processed on forms provided by the District.

3. Approval

Requests for Job sharing participation must be approved by the School Board prior to the commencement of any job share. The Board retains complete and absolute discretion with respect to all applications for job sharing. If the job share proposal application is denied, the board and/or designee shall forward a written explanation for the denial to the applicants.

4. Assignments and Responsibilities

The Board shall assign shared job holders specific responsibilities at the time the job-sharing contract is signed. Job assignments and responsibilities of the two job share members shall not exceed a 1.0 FTE.

A list of job responsibilities shall be appended to the individual contract and shall include:

- a.) A description of the job to be shared and the percent of FTE for which the contract is let, as well as all of the provisions related to benefits.
- b.) Allocation of preparation time and planning responsibilities between the job sharers.
- c.) Grade reporting requirements.
- d.) Faculty meeting and parent conference responsibilities.
- e.) Extra-duty assignments and compensation for same, if any.

5. Contract

Job sharing teachers will be required to sign a contract with the percentage of teaching time designated, and the remaining percentage shall be designated as unpaid leave time. On an annual basis requests to continue a job share must be approved by the Board.

6. Proration of Benefits

Wages and fringe benefits provided by this agreement shall be prorated on the basis of the percentage of the full-time equivalent position that the individual job-sharer works except that the Board will continue to pay 100% of dental premium. Credited service during the job share will be reported as .5 FTE equals one year Credited service.

7. Coordination Time for Job Share Assignment

Time necessary for the coordination of the job shared teaching assignment responsibilities, shall be performed on the job sharer's time.

Variations to the above may be granted upon agreement of the Board and job sharers.

SECTION 5. REDUCTION IN FORCE, POSITIONS & HOURS

5.01 Reasons for Reduction in Force

In the event the Board determines to reduce the number of positions (full nonrenewal) or the number of hours in any position (partial nonrenewal), the provisions set forth in this section shall apply.

5.02 Selection for Reduction – Steps

In the implementation of staff reductions under this section, individual employees shall be selected for full or partial reduction in accordance with the following steps:

A. Step 1 – Retirements and Resignations

Normal attrition resulting from teachers retiring or resigning will be relied upon to the extent it is administratively feasible.

B. Step 2 – Volunteers

Volunteers will be non-renewed first. The District will provide the volunteer(s) with a nonrenewal notice. Requests for volunteers will be sent to employees within each grade level, departmental and certification area. An employee who volunteers to be non-renewed under this section will put his/her request in writing. Volunteers will only be accepted by the District if in the District's opinion the remaining employees in the department/certification area are qualified to perform the remaining work. Volunteers will be treated as a District directed nonrenewal under this section of the *Handbook*.

C. Step 3 – Nonrenewal

If the Board decides to decrease the number of teaching positions in whole or in part, it shall follow the guidelines set forth in Section 118.22, Wis. Stats.

5.03 Notice of Reduction

The District will provide notice of nonrenewal in accordance with the timelines set forth in 118.22, Wis. Stats. The nonrenewal notice shall specify the effective date of the nonrenewal, the right to a private conference under 118.22, Wis. Stats and will refer the employee to the Reduction in Force provision in this *Handbook*.

SECTION 6. PROFESSIONAL COMPENSATION (To Be Completed Following Negotiations)

SECTION 7. PROFESSIONAL GROWTH (To Be Completed Following Negotiations)

SECTION 8. INSURANCES

8.01 Eligibility

Eligibility of an employee for coverage under the District's insurance policies shall be governed by the individual insurance policy as agreed to by the District with the insurer. An employee contracted to work less than 0.50 FTE shall not be eligible for any insurance coverages, except an employee working 15 hours or more per week may apply for Short-Term Disability Insurance.

8.02 Health Insurance

The District will pay eighty-seven and four-tenths percent (87.4%) of the health plan for full time employees. For part-time employees, the District shall pay a pro rata share of the eighty-seven and four-tenths percent (87.4%).

8.03 Life Insurance

The District will pay ninety percent (90%) of the life insurance policy premium. Each professional employee may elect to carry life insurance to the nearest five hundred dollars (\$500) of (but not to exceed) double his/her annual salary.

8.04 Long-Term Disability Insurance

The District will pay one hundred percent (100%) of the long-term disability insurance policy premium.

8.05 Short Term Disability Insurance

The Board shall provide short-term disability insurance to eligible employees at the employee's expense. The insurance carrier(s), program(s), and coverages will be selected and determined by the Board.

8.06 Dental Insurance

The District will pay one hundred percent (100%) of the dental insurance policy premium.

8.07 New Employees' Coverage

All insurances shall commence on the first of the month following start of duties.

8.08 Cash in Lieu of Insurance (hereinafter “CLI”)

A. Availability

Teachers working half-time or more may elect a cash payment in lieu of (“CLI”) the District’s health and/or dental insurance benefits. This CLI option shall be available to all teachers consistent with any open enrollment periods established by the District.

Note: Absent a “qualifying event” (such as employee marriage, loss of spouse coverage, etc.), employees who forego enrollment in either the health and/or dental insurance coverage (at either the point of initial eligibility as a new District employee or at any point during employment with the District), should expect to have to prove insurability (i.e., go through health/dental underwriting), accept restrictions on coverage for pre-existing conditions, or wait for the next “open enrollment period” in order to enroll at a later date.

Teachers shall have the ability to enroll in the health and/or dental insurance plans when a qualifying event occurs. Upon entry into the District’s health and/or dental insurance plans, however, that employee’s participation in the CLI program shall cease.

B. Employee Election

Prior to September 1 of each year current employees wishing to elect the CLI benefit for the upcoming school year shall complete a District-provided application. This application will require proof that the employee is covered under another health and/or dental insurance plan. Absent a mid-year (September through August) exception (such as an employee changing to her/his spouse’s coverage, etc.), employees must make a written annual CLI election prior to each September 1. When a mid-year exception occurs and an election is made, payment of the CLI benefit shall begin the month following the District’s receipt of the election and required proof of other coverage.

1. Employee Election for New Employees

Payments shall be based on the employee’s eligibility date, which is the first of the month following the first day worked. Employees not electing health and/or dental coverage, and those who are not permitted to elect health and/or dental coverage because they are married to staff members of the District who have elected health and/or dental coverage, where eligible, may elect the CLI option no later than September 1 or their first day of work if after September 1. Employees who fail to elect the CLI option before September 1 or their first day of work must wait until the next school year.

C. CLI Benefit Amount & Payment

The monthly payment amount of the CLI benefit will be equal to forty percent (40%) of the District’s cost for an individual (not family) health or dental plan less any applicable payroll expenses (e.g., social security, etc.). For part-time employees, the cash payment will be prorated in the same manner as the District’s contribution to the cost of the insurance for individual (not family) coverage would have been.

D. Effective Date/Trial Period

This provision shall become effective for the 2010-2011 school year. This provision shall cease to exist and will be removed from the *Handbook* as of August 31, 2015 unless the Board determines to continue this benefit thereafter. Should this provision be removed as stated herein, a health and dental insurance open enrollment period shall be made available.

SECTION 9. POST-EMPLOYMENT BENEFITS

9.01 Retirement

It shall be the policy of the District to make it possible for teachers who are at least fifty-five (55) years of age, are currently employed by the District and have been so for at least the last ten (10) years (calculated on a full-time equivalency basis), to elect to retire. A declaration of retirement shall be filed with the District Business Office on or before February 28 of their final teaching year. For purposes of retirement, the teacher's age shall be determined as of September 1 of the first school year in which the retirement is to be effective.

9.02 Benefits for Retirees Hired Prior to July 15, 1991

Teachers retiring under this program shall have the right to continue to participate in the group health (hospital-surgical) insurance, with single or family coverage, through the end of the month in which the retiree dies or fails to make payment for the premium, whichever occurs first.

The District shall pay 87.4% of the cost of such single or family coverage for each retiree through the end of the month in which the retiree dies, becomes eligible for Medicare, or fails to make payment for the premium, whichever occurs first. The remainder of the premiums for such insurance shall be paid by the retiree to the District Business Office, in advance, on a quarterly basis. Said payments are due on or before the fifteenth (15th) day of September, December, March and June of each year. However, by mutual consent of the Board and the retiree, the retiree's share may be withheld from the retirement stipend in lieu of the quarterly payment required above.

Participation in the plan by retirees shall be governed by the terms of the plan.

9.03 Retirement Stipends for Those Hired Prior to July 15, 1991

A teacher who elects to retire at at least age of fifty-five (55) shall be paid an annual stipend of \$3,000 until the teacher dies, or has received the maximum of \$12,000 via these stipends.

9.04 Benefits for Retirees Hired After July 15, 1991 but Before July 1, 2011

Teachers retiring under this program shall have the right to continue to participate in the group health (hospital-surgical) insurance, with single or family coverage, through the end of the month in which the retiree dies or fails to make payment for the premium, whichever occurs first.

The District shall pay 87.4% of the cost of such single or family coverage for each retiree for up to 48 months through the end of the month in which the retiree dies or becomes eligible for Medicare, whichever occurs first. The remainder of the premiums for such insurance shall be paid by the retiree to the District Business Office, in advance, on a quarterly basis. Said payments are due on or before the fifteenth (15th) day of September, December, March and June of each year.

Participation in the plan by retirees shall be governed by the terms of the plan.

Teachers hired after July 15, 1991 shall not be eligible for an annual stipend.

SECTION 10. REIMBURSABLE ABSENCE

10.01 Yearly Increments, Limits, and Use

A professional employee shall be granted a maximum of the (10) days reimbursable absence in any one school year. The total accumulation of reimbursable absence shall be one hundred ten (110) days. This

absence is granted for personal illness or injury with the Board having the right to request medical evidence of illness. Such reimbursable absence shall accrue at the rate of one (1) day per month, except in the case of first and second year teachers, who shall be credited with ten (10) days in September. In instances where a nonprobationary employee has exhausted his/her accumulated reimbursable absence for personal illness, the employee shall have deducted from his/her salary a sum equivalent to the cost to the Board of obtaining substitute teachers, until the employee can return to his/her duties or he/she is being covered under the disability insurance. New teachers who leave the employ of the District prior to completion of their contract and who have been granted reimbursable absence in excess of the accrued rate shall have these excess days deducted from their salary in accordance with the present policy (10.03).

10.02 Granting Reimbursable Absence by Principal or District Administrator for Reasons Other Than Personal Illness or Personal Injury

Reimbursable absence may be granted for reasons other than personal illness or injury by the employee's building principal or the District Administrator. The denial for such request cannot be based on the employee's availability of a personal business day (10.08).

10.03 Criteria for Pay Loss

If a teacher is absent for reasons other than the above or in excess of an accumulated reimbursable absence, except for personal illness, the reciprocal of the number of contract days times the basic contracted salary shall be deducted for each day of absence.

10.04 Termination of Rights to Reimbursable Absence

When a teacher leaves the employ of this District, all rights to reimbursable absence are terminated.

10.05 Pregnancy as an Illness

The Board shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom, as they would treat any personal illness or disability for all job related purposes.

10.06 Medical Clearance to Resume Duties After a Major Illness

Following major surgery, accident, or illness, medical clearances must be obtained before a resumption of teaching duties. The Board may, from time to time, require of a teacher who is absent due to any personal illness or disability the submission of a written statement of intent to return to the job as soon as physically able to do so. Any notice shall be considered received when sent by registered letter, return receipt requested, to the teacher's last known address. Failure of a teacher to submit such statement within twelve (12) days of the receipt will result in termination of all rights and benefits to which such teacher would otherwise be entitled due to such absence, unless such teacher is determined to be unable physically and mentally to provide such written statement.

Any false representation hereunder may subject the teacher to discipline including discharge.

10.07 Notice of Accumulated Reimbursable Absence Leave

The Board shall provide teachers with access to reimbursable absence leave totals.

10.08 Personal Business Leave

Each teacher employed in the District shall be allowed two (2) discretionary leave days per school year, equivalent to their normal duty day. The second of these days, if used, will be deducted from the teacher's reimbursable absence leave and is not subject to reimbursement under Section 10.09. These leave days are subject to the following conditions:

A. Personal Business Leave Not Cumulative

They are not cumulative, but are in addition to all other types of reimbursable absence.

B. Advance Notice

The teacher's principal or immediate supervisor shall be given forty-eight (48) hours advance notice and a lesson plan covering the period of absence shall be provided.

C. Teacher Priority

The choice of day shall be on a first request basis.

D. Building Allocation

The number of teachers absent on Personal Business Leave from each building on any given day except the SWEIO Day shall not exceed:

High School	- 2	Barrie	- 1	Rockwell	- 1
Middle School	- 2	Purdy	- 1	Luther	- 1

There is no limit to the number of teachers that may be absent on Personal Business Leave on the SWEIO Day.

E. Limited During the Last Ten Days of Instruction

No Personal Business Leave Days may be taken during the last ten (10) days of instruction of the school year.

10.09 Reimbursement for Unused Personal Day

Staff not utilizing their personal day in a school year will be reimbursed \$60 by the school district in their paycheck on the final day of June.

SECTION 11. LEAVES OF ABSENCE FOR EXTENDED TIME

11.01 Eligibility for Consideration

A teacher who has been in the school system for a period of three (3) years or longer may be considered for up to a one (1) year leave of absence without pay subject to approval of the Board (except as provided in 11.02 below). A teacher on approved leave must submit a written letter of intent to the District Administrator by February 28 if he or she does or does not intend to return. All benefits accrued at the time leave commenced shall be restored to the teacher upon resumption of duties. A memorandum of understanding between the District and the Teacher shall be issued as an addendum to the Teacher's individual contract for the term of the absence.

11.02 Maternity-Infant Rearing Leave

The Board shall grant a leave of absence without pay to any member of the bargaining unit for maternity-infant rearing reasons provided the employee desires it, and the conditions which follow are met. The request for such a leave shall be made in writing and must be given to the District Administrator at least forty-five (45) calendar days prior to the commencement of the leave. (The Board may request a physician's certification of the pregnancy of the expectant mother prior to granting this leave.) The leave must satisfy the following requirements: (1) It must have a single specified starting date and a single specified ending date, with the entire period of time between them being part of that leave. (2) It must begin no more than six (6) months after the birth of the employee's child. (3) It must end concurrently with the last day of a quarter or semester on the school calendar in effect at that time. (4) It must not

exceed one (1) calendar year in duration. The Board shall have no right to insist that a teacher apply for or take a leave of absence as a result of this clause, and any employee who is eligible to request a leave of absence under this clause shall not be denied any benefits resulting from other parts of this Master Agreement (including reimbursable absence) or any applicable law, regardless of whether or not they request a leave of absence under this subparagraph.

A teacher who has applied for and has been granted a leave of absence under this clause shall be reinstated, without loss of unused reimbursable absence days, or other accrued benefit(s), at the end of said leave unless the teacher refuses to sign an individual contract with the District by the date specified in Section 118.22 of Wisconsin Statutes if teaching duties are to resume at the beginning of the fall semester.

11.03 Retaining Teacher Status While on Leave

A teacher on leave shall be required to accept the teacher's contract for the ensuing year in writing pursuant to the requirement of Section 118.22 of Wisconsin Statutes to be eligible to retain teacher status, except as provided in 11.02 above. Unless the teacher on leave has notified the District of a different address, the District's mailing of a contract for the ensuing year to the teacher's address as it appears in the teacher's personnel file shall constitute delivery thereof.

First Name Last Name:

You are hereby placed on notice that the District intends to employ you for the 20XX-20XX school year under the same or similar terms as you are currently employed.

Your specific work assignment may vary and is, of course, subject to the terms and conditions of the District's employee handbook and Board policies and procedures. This letter should not be considered as a contract or guarantee of employment but rather as a reasonable assurance of our present intention to employ you in a similar capacity for the 20XX-20XX term.

Please contact me if you have any questions or concerns or if you do not intend to return to a position in the District for the 20XX-20XX school year.

Dr. James Fitzpatrick
District Administrator

SECTION 1. DISCIPLINE AND DISCHARGE

1.01 Length of Probationary Period

All newly hired employees shall be considered probationary until they have completed ninety (90) work days at least forty-five (45) work days of which must be when school is in session.

1.02 Standard for Discipline and Termination

- A. Probationary Employee: Probationary employees may be disciplined or terminated from employment by the District in its sole discretion. Such discipline or termination shall not be subject to the grievance procedure provisions of this *Handbook*.
- B. Non-Probationary Employee: A non-probationary employee may be disciplined or terminated for “just cause.” Such discipline or termination shall be subject to the grievance procedure provisions of this *Handbook*.

1.03 Representation

In the event any employee is called to a meeting with representatives of the Employer for the purpose of issuing discipline or discharge, or for the purpose of investigating circumstances that may lead to discipline or discharge, the Employer shall advise the employee of his or her right to representation prior to the meeting. In the event the employee chooses to have representation, the meeting shall be delayed until appropriate representation may be obtained. Nothing in this provision shall prevent an Employer from removing an employee from the work place if immediate action is required.

1.04 Disciplinary Materials

Copies of any disciplinary material(s) shall be provided to the employee before such material is placed in an employee's personnel file.

SECTION 2. HOURS OF WORK AND WORK SCHEDULE

2.01 Letter of Appointment

Each employee working less than twelve (12) months shall be issued an annual letter of appointment that shall be consistent with, but subservient to, this *Handbook* and Board policy, before the last student contact day of the school year. Specific assignments and hours cannot be guaranteed but an effort will be made to place the employee in a similar position (i.e., assignment, wages and hours) as the one currently held.

2.02 Regular Workday and Starting and Ending Times

Because of different schedule requirements, employee's starting, lunch, and finishing times may vary in different assignments and locations. The employee's immediate supervisor will schedule working hours, break periods, and lunch periods. The regular schedule may be changed from time to time; however, one (1) week advance notice shall be given all employees so affected.

2.03 Regular Work Week

The regular work week is five (5) consecutive days unless the immediate supervisor assigns the employee to a different work schedule. This section shall not be construed as a guarantee or limitation on the number of hours per day or hours in a work week which may be scheduled or required by the District.

2.04 Part-time Employees

A regular schedule of hours shall be prepared for part-time employees. Such schedule shall be made known to the affected employees.

2.05 Additional Hours and Overtime - Approval and Assignment

A. Approval: In order for an employee to work beyond his or her scheduled hours in any week, prior approval must be obtained from the immediate supervisor. To be eligible for the overtime and/or extra hours the assignment must not conflict with the employee's scheduled work hours.

B. Assignment: Overtime assignments will be filled using volunteers first, with as much notice as possible, and if insufficient volunteers are found, the work will be assigned to a qualified employee(s) as determined by the District. If no one volunteers to perform the overtime, the District may assign the work on a rotating basis by building within the applicable job classification. Emergency overtime assignments, situations which may cause harm to students, staff, the community or District property, shall be assigned at the discretion of the District.

C. Pay Rate for Overtime: Time worked over forty (40) hours per week is paid at one and one-half (1.5) rate. Time over forty (40) hours per week includes sick, vacation, holiday, or personal leave time. The reason for overtime must be indicated on the employee's time sheet. For the sole purpose of determining the appropriate pay period for the receipt of overtime pay, a week is defined as a pay period starting at 12:00 a.m. on Monday and ending at 11:59 p.m. on Sunday.

2.06 Compensatory Time Off

Employees who work overtime may, upon mutual agreement between the employee and their supervisor, receive compensatory time off for such work in lieu of cash payment. Compensatory time off shall accrue at the rate of one and one-half (1½) hours for each overtime hour worked, but shall not exceed one hundred sixty (160) hours payable as two hundred forty (240) hours of compensatory time, at any time. Employees who have accrued two hundred forty (240) hours of compensatory time may earn additional compensatory time during the payroll year when their accrual is reduced below two hundred forty (240) hours.

Such accrued compensatory leave time shall be taken at a mutually agreeable time.

On the first pay period of December, all compensatory time accrued which was not taken as compensatory leave shall be paid out in cash, except that at the employee's discretion, employee's may carry over up to one hundred (100) compensatory hours.

2.07 Lunch Period

All employees who work six (6) hours or more per day will be entitled to an unpaid half-hour lunch period, which shall be duty free.

2.08 Breaks

Employees who work four (4) or more hours per day shall be entitled to one (1) fifteen (15) minute break in their schedule of hours. Employees who work seven (7) or more hours shall be entitled to a second fifteen (15) minute paid break.

2.09 Emergency School Closings

If school is closed for reasons of any emergency, employees will not be expected to report to work and therefore will not be paid. However, certain employees may be designated in advance that in the event of such emergencies, they are to report to work when school is closed. If so designated they will work and will be paid. No one, however, is asked to risk personal injury in order to report to work.

Employees who do not report to work will have the option to take the day without pay, make up the time lost anytime prior to June 15 of that school year, or utilize a personal day, vacation day, or compensatory time from any available accumulation for purposes of maintaining pay status. The make-up of time is subject to the approval of his/her supervisor and the availability of work. Alternatives to this provision may be offered by the District Administrator due to unusual circumstances.

2.10 Call-In Pay

Employees called or scheduled back to work after their normal quitting time shall receive no less than two (2) hours of pay for such work. A second call back within the two (2) hour period starting with the previous call back shall not entitle the employee to an additional two (2) hours of pay.

2.11 Shift Pay Differential

Twelve month employees that are required to start work between

- 1:00 p.m. - 2:59 p.m. shall receive additional 2% Shift Differential.
- 3:00 p.m. - 6:59 p.m. shall receive additional 3% Shift Differential.
- 7:00 p.m. - 3:59 a.m. shall receive additional 4% Shift Differential.

2.12 Attendance at Meetings

Employees required to attend meetings called or scheduled by the Employer shall be paid for all hours spent in attendance at such meetings, if such meetings are held when the employee would not regularly be on duty.

SECTION 3. REDUCTION IN FORCE, POSITIONS & HOURS

3.01 Reasons for Reduction

The Employer shall have the right to reduce the number of jobs or hours in a job in any classification and/or department.

3.02 Notice of Reduction

Employees who are affected by a reduction shall be given at least a thirty (30) calendar day written notice prior to their last date of employment.

In the implementation of staff reductions under this section, individual employees shall be selected for full or partial reduction in accordance with the following steps:

A. Step 1 – Retirements and Resignations

Normal attrition resulting from employees retiring or resigning will be relied upon to the extent it is administratively feasible.

B. Step 2 – Volunteers

Volunteers for reduction shall be utilized next. Requests for volunteers will be sent to applicable employee groups. The District will provide the volunteer(s) with a notice of reduction. An employee who volunteers to be reduced under this section will put his/her request in writing. Volunteers will only be accepted by the District if in the District's opinion the remaining employees in the applicable employee group are qualified to

perform the remaining work. Volunteers will be treated as a District directed termination under this section of the *Handbook*.

C. Step 3 – Termination

The District will provide the employee(s) with a notice of reduction and shall not contest any claims for unemployment benefits arising as a result.

SECTION 4. ASSIGNMENTS, VACANCIES AND TRANSFERS

4.04 District Ability to Select the Most Qualified Applicant

The District retains the right to select the most qualified applicant for any position based upon stated job descriptions (this restriction does not prohibit the District from considering qualifications that are related to the position and exceed those minimum qualifications listed in the job description). The term applicant refers to both internal candidates and external candidates for the position.

4.05 Trial Period

A District employee who is selected for a vacancy will serve a trial period in the new position. The trial period will be for fourteen (14) calendar days. SECTION 12. REIMBURSABLE ABSENCE

Twelve (12) month employees shall earn twelve (12) reimbursable absences annually. Less than twelve (12) month employees shall earn ten (10) reimbursable absences annually. Employees shall be able to accumulate up to one hundred twenty (120) days of reimbursable absence. Such leave is for personal illness or injury. Employees who move from a part-time to a full-time position shall have their accumulated reimbursable absence days recomputed on the basis of full-time equivalency.

Such absence is granted at the discretion of the Superintendent (or Superintendent's designee) for the following reasons:

1. Serious illness or serious injury of any immediate member of the family;
2. Death in the family or of a friend for the purpose of attending the funeral;
3. Court appearances other than personal court infractions;

4. Other unavoidable circumstances;
5. Leave for convention or visits for vocational improvement.
6. One day per year may be used for personal reasons. If not used by July 1, said personal leave may accumulate to the following year (so that two days may be used in one year). If the personal leave is not used by the following July 1, the days shall be credited in the total accumulation of reimbursable absence days.

The District Administrator may, at his/her discretion, request a statement from a doctor as to the type and extent of illness of an employee and/or the member of the immediate family, the length of time necessary for the leave and other relevant information as may be deemed necessary by the District Administrator.

Upon termination of employment for reasons other than retirement, death, or permanent disability, the right to accumulated paid sick leave shall automatically terminate. Employees who die, retire, or become permanently disabled shall receive payment of an amount equivalent to the value of the unused sick leave which the employee has accrued as described in this section. Such monies shall be paid out through an IRS approved 125 plan that has a cash option. Cash Option: Each Participant may elect to receive taxable cash compensation which shall include a payment, in lieu of Benefit coverage, in an amount to be determined by the Plan Administrator.

1. At Death or Permanently Disabled (while actively employed):

One hundred percent (100%) of accumulated credit up to ninety (90) days to be paid in a lump sum.

2. At Least Sixty-Two (62) Years of Age and Fifteen (15) or More Years of Service at Retirement (Also See Appendix D):

- With twenty (20) years of service, or at age sixty-five (65), whichever occurs first, one hundred percent (100%) of accumulated credit up to ninety (90) days;
- With nineteen (19) years of service, or at age sixty-four (64), whichever occurs first, ninety-four percent (94%) of accumulated credit up to ninety (90) days;
- With eighteen (18) years of service, or at age sixty-three (63), whichever occurs first, eighty-seven percent (87%) of accumulated credit up to ninety (90) days;
- With seventeen (17) years of service, or at age sixty-two (62), whichever occurs first, eighty-two percent (82%) of accumulated credit up to ninety (90) days;
- At age sixty-two (62) with fifteen (15) years of service, eighty-two percent (82%) of accumulated credit up to ninety (90) days.

3. Less Than Sixty-Two (62) Years of Age or Less Than Fifteen (15) Years of Service at Retirement (Also See Appendix D):

Prior to age sixty-two (62), or less than fifteen (15) years of service - nothing will be paid.

The amount described in this section shall be paid in annual installments over five (5) years or less. (Upon retirement, the number of years shall be declared.) The first installment payable on the first

September 1 that follows severance with the District shall equal up to the amount, if any (taking into account the group health and dental plan coverage, if any, that the District provides to the employee), which the employee would be required to pay under the District's health and dental plans for that first year of coverage provided to him/her immediately before the day of retirement. The second installment, payable on the second September 1 that follows severance with the district, shall be determined in a similar fashion based on the costs of coverage for that second year of coverage. The installments shall continue each year until the total unused sick leave amount has been paid. Because the payments are made after severance of employment and in proportion to the number of days of unused sick leave, the District shall treat the payments as a bona fide severance plan.

Should the retired employee die after the beginning of this plan but before all monies have been expended, the remaining monies may be used by anyone covered under the insurance plans. Should there be no other covered individual, monies revert to the Estate.

SECTION 13. LEAVES OF ABSENCE FOR EXTENDED TIME

A leave of absence, without pay, may be granted to any employee because of personal circumstances upon the authority of the District Administrator. The request for the leave of absence shall be in writing. Any employee having secured such authorized leave of absence who returns to his/her employment in accordance with the term of the leave, shall be entitled to the same rights and classifications held by him/her prior to his/her leave. Benefits shall not accrue while an employee is on an unpaid leave of absence, unless otherwise required by law.

SECTION 14. POST-EMPLOYMENT BENEFITS

For employees hired before July 1, 2011, employees who have been actively employed by the District for at least each of the last ten (10) years prior to retirement, and who retire at age sixty-two (62) or older, shall have seventy-five percent (75%) of their health insurance coverage paid by the Employer through the end of the month in which they die or become eligible for Medicare, whichever occurs first. The monies contributed by the Employer for insurance purposes shall be capped at one hundred twenty percent (120%) of the Employer's share of the insurance cost at the time of the employee's retirement. After becoming eligible for Medicare they will be allowed to remain in the group supplemental plan at their own expense until the end of the sixtieth (60th) month after becoming eligible for Medicare, or until their death, whichever occurs first.

Employees who are eligible at the time of retirement for District provided health insurance coverage but have opted out of District provided health insurance coverage while actively employed due to other coverage will be offered, at the time of retirement, a one-time option to enter into the retiree coverage provided by the District according to the stipulations as outlined in the preceding paragraph.
