PURDY PANTHERS

PURDY ELEMENTARY SCHOOL NEWSLETTER

June 2014

5/27/14

Dear Parents:

I was recently asked for some career and retirement thoughts and I would like to share them with you:

- Working for 36+ years in a great and rewarding profession.
- Work as a principal for 26 years in one school with such a great staff including Secretary Karen Hetts.
- Appreciating the constant and never ending support of my wife, Sarah.
- Proudly recalling Veterans Day Programs including a send-off to Iraq. I will never forget talking to a dad from Milton watching his son deploy on a day with a 0 degree wind chill.....while 300 plus students and staff sang "God Bless America" while waving flags and banners as the busses passed the back side of our school. With tears and pride he said, "That's my son on that bus!"
- "Planting early dreams of college education with Dream Scholarships".
- 23 years of Artists-in-Residence including Native Nick Hockings, Madison Singer and Songwriter Leatha Stanley, Aldo Leopold naturalists and most recently Chef Tyler Sailsbery.
- Being able to recognize the fine, hard work of Purdy Elementary School teachers including five Kohl Fellows. Nothing is more important in a school than the quality efforts of its teachers and support staff.
- Working with so many dedicated and talented administrators and school board members.
- My short walks between Purdy and Luther on the Wetland Boardwalk.
- Walking hen mallards and hundreds of ducklings through the school with staff and students.
- Watching my two children grow up in the School District of Fort Atkinson growing from kindergarten through graduation.
- Reflecting on the yearly difference 125 plus volunteers can make.
- Recalling the trip to DC with Dennis Kuchenmeister to receive the 1st ever U.S. Department of Education Green Ribbon Award for our school.
- Helping Develop the Comprehensive Literacy Model and the corresponding constant focus on student achievement and growth along with receiving another national recognition for all our Fort Schools.
- Understanding how enriched my life and others has been when working and learning with minority students and families.
- Being part of the development of the literacy coaching program. with administrators, teachers and "coach" Candice Johnson. Peer coaching development was the topic of my PhD dissertation.
- Working with two generations of students and many former students returning as parents.
- Receiving unconditional love..... each day.... from 350+ Purdy students :)

I plan to spend more time with my wife, Sarah and our children, Laura and Phillip.

I also plan to do more skiing, hunting, fishing, boating, working out, biking, remodeling, forest and deer management and traveling. I still have some "gas in the tank" and plan to work part time with student teachers, summer school, educator effectiveness and some literacy projects.

My parting words, "Make each day the best day of your life and the lives of those around you." I will miss Purdy and know the school, students, staff and parents will always proudly be part of my heart.

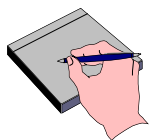

Appreciatively,

Rick Brietzke, Principal

LONG SUMMER NECESSITATES EXTRA LEARNING OPPORTUNITIES

Research clearly shows that learning can drop for some students – **those not involved in learning activities.** Parents, please ensure that learning does not take a back seat to inactivity. Plan an abundance of learning opportunities to help prevent a drop in achievement.

Students for the

Treasurer's Report Submitted

Old Business:

School Board Meeting Update: Fort Atkinson was recognized as one of the Best Music Education schools. Budget reductions were discussed. Open Enrollment numbers continue to exceed number of students going outside the district. Leigh Ann Scheuerell's resignation as Associate Principal at the High School was accepted and she will become the new Purdy Principal. The transition will occur through July.

Market Day: Market Day numbers continue to exceed amount hoped for in budget. The June sale closes at the end of May with delivery on June 4. There will be a mid-July and mid-August order this summer. Flyers for July will go out with students before end of school year. Flyers for August's sale will go home with those who purchased from July or will be available in the office or online. The schedule for next year is being finalized. The pick-up process will be streamlined next year, requiring less work sorting orders when they are delivered.

Flower Sale: The flower sale earned a profit of \$850, which is down from previous years. Gift certificates are still available for 1 basket @\$20.00 which can be picked up at Bennett's Greenhouse. Gift Certificates are available in the office and good through July. The flower sale's profit projections for next year was adjusted in the proposed 2014-2015 budget.

Book Fair: The Spring Book Fair was highly successful. The set up, flow and turnout with having it in conjunction with the Arts Festival were all well received. Proposal was accepted to continue to have this at the Arts Festival. Cash profit was taken for this sale.

New Business:

2014-2015 Proposed Budget: The proposed budget for the 2014-2015 school year was reviewed. The profit for the Flower Sale was adjusted and balanced with the inclusion of the Sal's Fundraiser to maintain the proposed budget amount of \$19,300. New, large playground equipment to replace the wooden equipment will be the biggest purchase for this budget.

2014-2015 Board/Chair Positions Accepted: Board positions were filled for 2014-2015. The chair position for Box Tops have been filled by 2 volunteers, Rebecca Hakenson and Sally Schwarz. Positions remain available for Teacher Appreciation and 5th Grade Breakfast. These positions can be filled by 1 or 2 people who work as a team. We also need 2 additional Scrip chair people to work in conjunction with Justin Luebke—one person with a marketing background and one person in a sale/financial background. Discussion also involved forming a marketing committee to help publicize all events for Purdy. Interested parties can contact Maggie Messler at 920-397-7037 for more information.

Teacher Appreciation Lunch: The teacher appreciation lunch is served the first week of June. Maggie will work with Toni to arrange the dinner. Donations of baked goods are requested. Sandwiches and sides will be provided by PTO.

5th Grade Breakfast: Final details are being made for the 5th Grade Breakfast. Donations were secured from Festival Foods and Kwik Trip to help with the breakfast.

Spiritwear: Plans for next year's Spirit Wear were discussed. Tricia will review vendor information gathered by Rachel Broadhead to help determine where orders will be processed for next year. It was decided to have a limited supply of T-Shirts available for purchase at the time of Registration and Back to School Night. It was also suggested to have pictures available on the order form.

End of the Year Picnic: The end of the year picnic to honor the retirement of Mr. Brietzke, Mrs. Gomez and Mrs. Nyland will take place on Wednesday, June 4th from 5:30—7:00 pm. Attendees are asked to bring a dish to pass, their own beverages and a blanket to sit on. The event will take place on the east side of Purdy Playground with rain location inside the Gym/IMC. Purdy will provide Hot Dogs, paper products and condiments. A picture will be placed in the paper to invite any former Purdy families to attend.

Welcome Event: It was suggested to host a welcome event for the new Principal, Mrs. Scheuerell at the beginning of the new school year. A date will be decided upon talking with Mrs. Scheuerell and announced through the Purdy PTO Facebook page. This event will likely occur in early-mid September.

Next Meeting: Tuesday, September 16, 2014
