PURDY ELEMENTARY SCHOOL NEWSLETTER

June 2016

5/31/16

Dear Parents:

We've had a fantastic finish to the year and it's hard to believe I am writing this final newsletter note to you at the end of my second year here at Purdy! We have accomplished great things and all of us have experienced tremendous growth: students, staff and myself included!

Check out these highlights from the month:

- ◇ We finished all our State Forward Exam Testing in grades 3, 4 and 5 at the beginning of May!
- ◇ There have been many fantastic and enriching field trips.
- ◇ A successful 5th grade band and orchestra concert was held. Such growth and talent from all!
- ◇ The 4th and 5th grade track meet showed our students exceptional skills and form in the different events. Purdy came out #1 in many contests.
- ◇ The 4th grade Orchestra Recruitment left MANY 4th graders excited for this opportunity next year.
- ◇ We held 5th grade meetings, led by the Middle School staff and students, who came to visit and share what Middle School is all about.
- ◇ We hosted the Public Library Summer Reading Program kickoff to get kids excited about these FREE events and fun this summer.
- ◇ 4th Grade Grandparent Essay Contest was held at the Hoard Museum, displaying excellent reports on community elders.
- ◇ The Ernie Pope Scholastic Art Show at the Fort Atkinson Club showcased terrific talent of students at all grade levels.
- ◇ Teachers focused and reflected on their annual Student Learning Objectives, finished out end of the year assessments, and analyzed student progress to help assist/provide next year's teacher great information.

Coming Up:

- ◇ 5th Grade Breakfast on June 7th at 8:15
- ◇ End of the year Awards Assembly on June 7th at 10:00 AM in the Gym.

We congratulate this year's group of 5th graders and wish them well on their upcoming adventures. I know they will shine and succeed as they move on to the Middle School and all the adventures that are to come.

Thank you to all the parents as well. Your support, communication and collaboration is so valuable to me. I truly enjoy what I do and honor the gift of working with your children each day. I wish you all a very relaxing and healthy summer break! I hope to see you at summer school.

Appreciatively,

Leigh Ann Scheuerell, Principal

**School District of Fort Atkinson's Board of Education to Conduct
Community Survey**

Feedback will help shape the future of the district.

FORT ATKINSON, WI—In an effort to engage the entire district community, the School District of Fort Atkinson's Board of Education is formally surveying district residents for the first time in several years. Community members will be asked about various long-term priorities related to educational programs, safety, and technology needs. The survey results will be used to discern which public school programs and services the community values.

The survey, which is available both online and paper, began on May 9 and will close June 7. The survey is offered in English and Spanish. The survey can be found online at www.fortschools.org/communitysurvey.

"We would like to stress the importance of your feedback, which will be used by the Board of Education in its planning efforts to strengthen our District further in the next three to five years. Please look for a summary of the survey results which will be shared by the Board in June," said Rodger Thomann, School District of Fort Atkinson Board of Education President.

The Board of Education would like to thank residents in advance for sharing their thoughts on this important survey.

BOX TOPS

Thank you for a great year! We collected over 15,000 box tops! That is over \$1,500 to our school. This is at no extra cost to you!

The winning class for ALL three competitions this year was Mrs. Johnsons' Kindergarten class! Way to GO!

Participating is easy. Box Tops are on countless products: toilet paper, school supplies, cereal, cake mixes. Fruit snacks, tissues, etc. EVERYONE has them! Check the expiration date, clip them and save them in a baggie until the competition. It is so easy!

Thank you to Dominoes Pizza and Beauty and the Bean for their donations to the competitions this year.

I will no longer be serving as the coordinator. The PTO is looking for someone to take over this responsibility. Please let them know if you are interested.

Have a great summer and keep clipping. The next competition will be Fall of 2016!

Thank you for your support!

Sally Schwarz, Box Tops Chairperson

LONG SUMMER NECESSITATES EXTRA LEARNING OPPORTUNITIES

Research clearly shows that learning can drop for some students – **those not involved in learning activities.** Parents, please ensure that learning does not take a back seat to inactivity. Plan an abundance of learning opportunities to help prevent a drop in achievement.

PURDY PATROL OF THE MONTH

Dane and Nathan were selected as Purdy Patrol Members of the Month of May. They were treated to lunch at Culver's on Friday, May 27, 2016 along with other Safety Patrol Members of the Month for Fort Atkinson.

SAVE THOSE BOXTOPS

The PTO is sponsoring a Back-to-School Box Top drive in October. Parents should keep collecting those box tops that come on a variety of General Mills products ranging from cereal to Kleenex boxes! The funds from the Box Tops will be used for PTO projects!

LOST AND NOT YET FOUND

Missing an item? Look into Purdy's Lost and Found. All unclaimed items will be turned over to St. Vincent's on Friday, June 10th.

New Vaccine Requirements for Students for the 2016-2017 School Year

Changes in the Wisconsin Student Immunization law now require a dose of Tdap vaccine in students entering the 6th grade. Parents are required to have their children vaccinated or sign a waiver.

Tdap is the adolescent combination vaccine that protects against tetanus, diphtheria and pertussis (whooping cough). One dose is required.

Exceptions to the Tdap requirements:

- Tdap vaccine—If your child received a tetanus-containing vaccine (such as Td vaccine after an injury) within the last 5 years of entering the grade it is required, your child is compliant and tDap vaccine is not required.

Forms and additional information:

- Additional information and a Student Immunization Record form will be mailed in June to all students entering 6th grade in the fall.

Questions:

- Call the School Nurse Office at 563.7805

Purdy Parent Teacher Organization Meeting Minutes Instructional Materials Center (IMC)

PTO Meeting
Wednesday, May 18, 2016

Present at Meeting: Leigh Ann Scheuerell, Maggie Messler, Katie McIntyre, Pam Gustin, Heather Hartwig, Jolyn Baldry, Jessica Mirek, Alan Hesselbacher, Jackie Flack, Rachel Broadhead

Additions/Corrections to April Minutes: None
Treasurer's Report: Checking Balance \$5,037.97, Savings \$7,130.97

School Board Meeting Update- There was a spotlight from Purdy about our Units of Study, which we have implemented this year. Mrs. Scheuerell requested a transfer of funds from the Purdy budget for additional Chromebooks, which the board approved. Purdy received the Kohl's Cares Grant for additional field trips for our ELL students. Also the board approved a new compensation model for all staff.

Flower Sale Wrap-Up- \$681.75 was our profit. This was down from previous years.

Book Fair/Art Festival- Unfortunately, the buy one/get one sale is a no profit sale (which was not communicated well to us). It was a great sale for Purdy families with terrific deals on books.

Teacher Appreciation Week- Jackie Flack organized an AMAZING week for teachers with meals, snacks and prizes! Teachers loved it and felt very appreciated.

Family Bowling Night- We made \$86. There was a good turnout and many families enjoyed a night of bowling. We will definitely do it again next year.

Artist in Residence- Chesney Snow, a beat boxer, worked with Purdy students for a week. He was wonderful with the students. The final assembly was a lot of fun for everyone.

Spirit Wear- We had a good response to the limited items, quick turnaround sale. There will be a more comprehensive sale at registration.

NEW BUSINESS

Donation Coordination- We are trying to align our requests for donations so we aren't asking local businesses repeatedly for several events.

5th Grade Breakfast- Maggie Messler and Rachel Broadhead have been working hard on this event. Walmart, Sam's Club, Target, Kwik Trip, Citgo On the Point, River's Edge, and Badger Bank have donated money, food and other items for the event.

2016/2017 Budget Approval- We looked at this budget last month and made a few changes. Jackie Flack made a motion that we should approve the budget. Jessica Mirek seconded the motion.

Board/Chairperson Positions 2016-2017 School Year- Alan Hesselbacher will be our new PTO Treasurer. Katie McIntyre is willing to be a Co-President. The rest of the board will remain the same. We are still in search of another Co-President, Flower Sale Chair, Book Fair Chair and Box Top Chair. We really need some new volunteers for these positions and helping out with other PTO events.

Registration 2016/2017 School Year- Maggie Messler will include volunteer sheets in the PTO packets we hand out at Registration.

Next meeting: Next Fall! :)
