PURDY PANTHERS PURDY ELEMENTARY SCHOOL NEWSLETTER

January 2014

December is always a great family month for the Purdy learning community, especially as it relates to some of our largest events for our families which include the PTO's Breakfast with Santa Program and our Winter Holiday Programs. The K-1, 2-3 and 4-5 concerts were heavily attended with much deserved praise going to director Heidi Kosak and thanks to all our teachers who provide so much support including helping on the concert night. Our students were terrific!!!

The PTO served over 300 at Breakfast with Santa and hosted a lot of activities plus Santa! Thanks for the efforts of Chair Rachel Broadhead, decorator Karen Behm, the Fort Atkinson Kiwanians for donating and serving our families all those pancakes and to the many other volunteers who helped that morning.

In case you get digital cable 982 or know someone that does, you can watch the programs on TV **at 1:15 PM and 8:15 PM daily from December 22nd to January 5th.** You can also see it on regular cable channel 98. New this year, we will have a playback link on our website.

Don't forget to plan ahead for the Science Fair. Science Fair projects teach children how to think and use the information they learn both at school and at home. These projects take a lot of support at home so THANKS in advance for helping! The learning is worth it!! Make it a point to select a project over break. If you need another handout the office has extra copies or go to: <http://www.fasciencefair.org/>

At this time last year I was answering questions about our security in light of the mass shootings at Sandy Hook Elementary School. In the aftermath of that tragedy I thought I would remind parents we have multiple layers of security in place and practice for such an event. That kind of event is something we never ever hope will occur here but security and drills provide a piece of mind for our entire learning community.

Take more than a few moments out of the rush of the holiday season to give your children some extra love and attention—they are worth it. Just the other week I walked my daughter down the aisle at her wedding. Needless to say, it was memorable for me and I continue to marvel at how fast children grow up and move along. That was one reason I selected this song, a Trace Adkins tune entitled, "Then They Do" for our "father-daughter dance:

<http://www.youtube.com/watch?v=KkFzG4yMmhY>

Have a great Holiday and a rewarding New Year with your loved ones!

Happy Holidays!

Rick Brietzke, Principal
Purdy Elementary

SCIENCE FAIR ENTRIES **DUE FEBRUARY 1, 2014**

It's time for the annual Science Fair. Join in the fun, imagination, creation and discovery of SCIENCE!!! Take part in the 2014 Fort Atkinson Science Fair. The Fair will be held at the Hoard's Museum on February 21-25. The key to making it a positive learning experience is to start early. Winter break is a great time to sit down and discuss questions and problems that have some scientific basis for your project. Ideas can be found in the Purdy IMC, Dwight Foster Public Library or on the Internet. Science Fair booklets are available through Dwight Foster Public Library or the Purdy School office.

Some additional topics might include:

- ◆ Electricity, magnets, etc.
- ◆ Studying brand preferences, advertising, etc.
- ◆ Collecting water, air samples at various times, locations, etc.
- ◆ Studying human or animal behavior or traits, i.e. left or right-handedness, eye color.
- ◆ Determining which consumer products really are most effective.
- ◆ Growing plants by varying light, water, soil, and nutrients.
- ◆ Analyzing snow content.

All fourth and fifth grade students do a project for their science classes and school science fair. The regional Science Fair is a great chance to get more mileage out of their projects. Therefore, all fourth and fifth graders are encouraged to enter the Fort Atkinson Science Fair.

Again this year, all third graders will be doing group or team projects as part of a school assignment and school science fair and these projects are eligible for the regional science fair as group projects.

Make sure that any project is designed to answer a question. Some of the best ideas come from around the house! Examples: Which brand of popcorn pops up the best? How would you measure this? How would you do the same to determine which battery lasts the longest? Which brand of paper toweling works the best – is strongest or most absorbent? Does music have an effect on plant growth? Does fertilizer really help plants grow? Does fertilizer turn pond water green? Under what conditions?

Keep the project simple and follow the directions in the Science Fair guide that will be sent home soon. Questions? Ask your child's teacher or Rick Brietzke, Principal.

To help, the school offers a nice, functional yet inexpensive trifold mounting board for *\$5.00*. These are available first come first serve. Nasco also offers similar boards as well.

Note: Purdy Elementary School will have its Science Fair on Tuesday, February 11th which coincides with one of Purdy's Parent Teacher Conference Nights.

MID-YEAR CHECK LIST

Parents please check with your child to see how he/she is doing in these areas.

- ✓ Math Facts – practice every day.
- ✓ Read – ensure your child reads at least 10 – 20 minutes daily. Most grades require “take home” books to be read each day.
- ✓ Homework habits – has a regular time to study and/or does so when asked. Also goes to bed early and wakes up ready to learn. Seems to miss assignments? Ask about an assignment notebook or a homework folder. Most classes use one or both.
- ✓ School supplies – many supplies need to be replenished by mid-year.
- ✓ Writing – write sentences, stories, and letters just for practice or for family and friends.
- ✓ Daily Folder – Finishing the day on green or above is great. If not try again the next day.

LAST CALL FOR LOST AND FOUND

Parents, help ensure your child brings home all the clothes that have been brought to school. Teachers have been instructed to have their students inspect their coat rack areas. Unclaimed items will be collected to the Lost and Found area by Exit 5. The school will be open from 7:30 AM to 2:30 PM on Thursday, December 26th and Friday, December 27th for pick up of lost items. All remaining items will be turned over to a local charity.

DON'T BE LATE

First Bell Rings at 8:00 AM
School Begins at 8:05 AM

WARM COATS STILL AVAILABLE

A local charity has provided new winter coats for boys and girls. A variety of sizes are available for families in need of financial assistance. Even with staff looking for needs there still are coats available. Interested? Stop by or call the office for details.

.....

THANKS FOR WAITING PARENTS!

Purdy parents have done a great job waiting for their children in waiting areas in front of the building as well as waiting for the security doors to open just before classes dismiss. These areas are conducive for waiting parents and eliminate the distractions associated with parents waiting outside classroom doors. Thank-you for your cooperation! (See related article.)

.....

NEW ADDRESS OR PHONE NUMBER?

Please inform the office if you have moved, changed phone number, or employment. This information is useful in case your child is sick and for school mailings.

WELCOME NEW STUDENTS

The following students are new to Purdy School. Welcome to a great place to learn.

- ♦ Brandon Lopez Early Childhood

School enrollment, not including the 4K program is 370.

GIVING FOR THE HOLIDAYS

Purdy School classes picked the Food Pantry and Jefferson County Humane Society.

Mrs. Kratz's Kindergarten class, First, Second, Third, Fourth and Fifth grades collected and delivered their items to the Fort Atkinson Food Pantry.

Third Grade classes collected money and items for the Jefferson County Humane Society.

Thank you for donating items to these two organizations.

SAFETY/PEACE PATROL OF THE MONTH

The following students were selected as Safety/Peace Patrol of the month and were treated to lunch at McDonald's on Friday, December 20, 2013.

- ♦ **Quintin Edwards**
- ♦ **Camryn Jorgensen**

PTO HOLIDAY CONCERT RAFFLE

PTO held a "Concert Seat Raffle" for the December 12th Concerts. Winners names were drawn at Breakfast with Santa.

The winners are:

- ♦ K-1: Landon Smillie's Family and Cole Mirek's Family
- ♦ 2-3: Hailey De Mott's Family and Hunter Rogers' Family
- ♦ 4-5: Hailey Paske's Family and Riley Rogers' Family

Your PTO raised \$ 148.00. **Thank you** to everyone who participated.

BOX TOP CLASSROOM CHALLENGE

NOVEMBER 15— NOVEMBER 22

\$2159 Raised So Far!!!!!!

Our last Box Top competition was November 15th—22nd. Mrs. Gustin's class was the winner with 690 box tops and Mr. Springstroh's class was second with 528 box tops. We earned \$359.00 with a total of \$2159.00 for the year.

We will have another competition after January 1st so please keep saving!!

I want to thank Rebecca Hakenson for counting and sorting the last competition.

Lori Partoll
Box Top Chairperson

MUSIC MESSAGE FROM **MS. KOSAK**

Hello, Students and Families!

December 12, 2013 was another fantastic night of winter music fun and frolic. All three of the Purdy programs were pronounced a grand success by the multitudes of audience member and other reviewers present.

The list of thank you's on the back of the program never seems enough to express the gratitude I feel for the assistance I receive from the others involved. Please allow one final thank you to the classroom teachers who get the children all lined up and ready to go on stage, handle extra props, coach lines and desperately fill spots when actors fall ill at the last moment.

Elvis' mom, Mrs. Messler, deserves her own round of applause for coaching and preparing Aaron for his special role. It's a big job to find the balance between hovering nervously and coaching constructively, and by watching Elvis, we could see that she found that balance.

Thanks to all the family members who helped coach for all the parts in all the shows.

Special applause to the family characters and Santa in "Dear Santa" for coming through and learning their parts and embracing their characters as directed. It made all the difference. "Props" to Emma Mitchell for her choreography on "I Need Some Wheels".

Mrs. Hetts, as always, thanks for everything. There are too many things to mention.

Finally, thank you to Dr. Brietzke for always believing in the children.

Purdy Holiday Concerts will air on digital cable channel 982 or regular cable channel 98 on an alternating cycle with the other elementary school programs

Purdy's will run consecutively beginning at these times:

December 22—January 5th
1:15 PM & 8:15 PM

K-1	35 Minutes
2-3	40 Minutes
4-5	40 Minutes

Enjoy!

SOUTHERN LAKES **ANTHOLOGY**

The Whitewater area Talented and Gifted Network sponsors an annual competition for artists and authors. Students enter work in five categories: Poetry, Prose, Art, Cartoons, and Illustrated Writing. This year's theme was "Figure it Out". Twenty-one entries were selected from 3rd—8th grade students to be included in our local Fort Atkinson Student Anthology and to be judged for inclusion in the regional southern Lakes Anthology.

Congratulations to Purdy fourth grader Alexandra Hakenson and Purdy fifth graders Bailey Behm and Hailey Paske whose work was selected for the 2014 Fort Atkinson Student Anthology.

Ms. Daly
IMC Director

BREAKFAST WITH SANTA

Purdy families kept Santa VERY busy at our annual Breakfast with Santa! He listened to many children's requests and took their letters. We appreciate Santa making the time every year to come to our event. Thank you to the over 300 people who attended and enjoyed a delicious breakfast, played games, did crafts and visited with Santa. To view photos from this event, go to the Purdy Elementary PTO Facebook page.

THANKS to all of you who decorated, served food, supervised activities, cleaned up and did whatever was needed to make this event possible for our children. It is impressive what our Purdy families do to make special events like this happen. Also, thank you to the volunteers from Fort High School as well as the UW-Whitewater Future Teachers Student Organization that helped at the event.

Much appreciation goes out to the Purdy office, custodial and kitchen staffs. They play such an important role behind the scenes daily and for events like Breakfast with Santa.

Finally, our Fort community made many donations making this even affordable for our families. Members of the Fort Atkinson Kiwanis made the pancakes and Jones Dairy donated the delicious sausage. Other businesses that play a part include Beauty and the Bean, Culvers, Jimmy John's, Kwik Trip, McCain, McDonald's, Nasco, Pick n Save, Prairie Farms, Sam's Club, Sentry Foods, Shopko, Subway, Walgreens and Walmart of Jefferson. Please show your thanks by supporting these businesses that so generously donated to our school.

Have a Merry Christmas!

Rachel Broadhead
Chairperson

BAND & ORCHESTRA PARENTS

Now that you've had a chance to see and hear more about what band and orchestra is all about, consider attending a Booster Meeting!!

The Booster Meetings are brief and we discuss fundraisers and ways to improve what we already do.

We only meet a handful of times a year, for about an hour each time.

These meetings are important for the maintenance of our programs, but we need your input!!

Please consider stopping by and checking us out.

ORCHESTRA BOOSTERS MEETING:

Monday, January 6, 2014
6:00 pm – High School Orchestra Room

BAND BOOSTERS MEETING:

Wednesday, January 15, 2014
6:00 pm – High School Band Room

We hope to see you there!

OUR NEW LOOK!

We are happy to unveil our new Panther logo to start out the new year! The new logo was created by Purdy parent Carla Chase, (Mom to Cassie Chase, 1st Grade) and will be featured on the new signs we will be adding outside the school later this winter. Thanks to Carla for the great artwork!

MARKET DAY NEWS

The cookie dough sale was a huge success. 232 boxes of cookie dough were ordered! Purdy Elementary will receive a profit of \$1,028.00 from those sales. Combined with our regular Market Day orders we will receive a total of \$1,154.00 for the month of December. Thank you to everyone that participated. Look for the next flyer before our winter vacation with a pick up on January 8th. We are always looking for volunteers to help unload boxes and pack orders.

Market Day Co-Chairs,
Dawn Church and Mary Lynn Vaillancourt

DISTRICT DARE PROGRAM AND WAYS TO DISCOURAGE ALCOHOL & DRUG USAGE

Elementary schools will start DARE instruction the week of **February 10, 2014**. Officer Hefty, a Fort Atkinson police officer, will teach the program once a week for nine weeks.

Parents of DARE students are expected to have follow-up discussions with students about drug and alcohol usage. Research conclusively shows that parents that openly and regularly discuss these matters have children that are less likely to use or abuse alcohol and drugs. Take the time to talk to your children about drugs and alcohol.

Mark your calendars: DARE graduation is April 29th at Fort Atkinson High School.

GEOGRAPHY BEE CONTESTANTS

29 students recently participated in taking a tough qualifying test that was open to all 4th and 5th graders. Congratulations to the following students who have qualified for the Purdy School Geography Bee.

Mr. Springstroh: Braeden Church
Triston Hanson

Ms. Stevens Mason Brandt
Triston Pete
Sawyer Voss

Mrs. Hahn: Tyler Betanski
Haley Clavey
Zoie Hammer
Maddie Hansen
Camryn Jorgensen
Lewis Luciano
Sydney Maas
Noah Rados
Elly Scheuerell

Mr. Twedt: Matthew Betanski
Carlee Dittbenner
Grace Gustin
Emma Mitchell

The Geography Bee will be held on January 14, 2014 at 12:25 PM in the IMC.

Congratulations and good luck to all contestants!

OPEN ENROLLMENT
FEBRUARY 3 – APRIL 30
AT 4:00 PM

Parents that are presently living outside the School District of Fort Atkinson or that may move out before next school year and wish to have their child(ren) attend Purdy or a school in the Fort School District are required to apply for Open Enrollment to continue to attend at Purdy next year.

Parents need to file paperwork with the Superintendent's Office from February 3rd to April 30, 2014 at 4:00 PM. Parents may apply in one of two ways: On-line at <https://www2.dpi.state.wi.us/OpenEnrollApp> or by contacting Debbie Kopps, Assistant to the Superintendent at 563-7807, for paper applications. The process is very simple and painless. Also, if one is currently living outside the School District and wishes to begin their child in the Fort Atkinson School District, this procedure needs to be used. Have a friend that needs this information? Please pass it along. Each year we welcome many new families to the District and Purdy Elementary School this way.

WINTER WEATHER
IS UPON US

All students are expected to go outside for recess. Unless the weather is too cold (below 0° F with the wind-chill), snowing heavily or it's raining, students play outdoors. Proper clothing makes all the difference between an enjoyable recess and one in which the school bell doesn't ring soon enough. Students need to dress warmly, wear hats, mittens or gloves, warm coats, snow pants, and boots. Students without boots can get wet feet that stay wet well after recess. Further, there are times when students without boots or snow pants are restricted to blacktop and sidewalk areas. If parents send proper clothing, Purdy staff will work hard to make sure it is worn. Students are also encouraged to keep a dry change of clothes in their backpack for emergencies.

Below is a list of stations to listen to or watch for school closings.

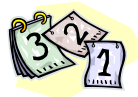

WFAW/WSJY/WKCH
 WSLD
 WISC-TV-Ch. 3
 WMTV-Ch. 15
 WIBA/WTSS/WMLI/WZEE/WMAZ
 Today's TMJ4/WKTI/WTMJ
 The Weather Channel

CONNECT 5 NOW CALLS

The School and District have been using CONNECT 5 (formerly ALERT NOW) to provide automated calls and emails to all who have signed up. The system can call every Purdy parent in under a minute! If you have not gotten a call or wish to now get alerts regarding snow days, special announcements, emergencies, etc., please call the office to get added to the call list.

Please don't tie up school lines by calling school, instead plan ahead and listen to or watch one of the above stations.

SCHOOL RESUMES
JANUARY 2, 2014

Parents will want to note that this winter break is back to the usual number of days. School begins the second day of the New Year!!

2014-2015 4K REGISTRATION

Registration for the School District of Fort Atkinson 4 Year Old Kindergarten **(4K)** opens on Tuesday, January 7th, 2013. Children that will be 4 years old before September 1, 2014 are eligible for 4K.

The 4K Registration Forms are available in all of the Elementary School Offices, the Dwight Foster Public Library, and all of the 4K sites; Beautiful Beginnings, Kids Konnection, Fort Atkinson Preschool and Day Care, Parents Cooperative Preschool, St. Joseph's Catholic School, Head Start at Purdy and Hebron Locations. The registration form can also be downloaded at www.fortschools.org/4k.

Forms should be completely filled out and returned to:

Barrie Elementary School,
Attn: 4K
1000 Harriette Street
Fort Atkinson, WI 53538

The Deadline to return 4K Registration Form is Friday, March 7, 2014.

The next step in the enrollment process will be the Fort 4K Registration Day. This will take place **Wednesday, April 9th from 10:30 am - 6:00 pm at Luther Elementary School located at 205 Park Street.** There will be a \$15.00 registration fee, cash, or check made payable to **School District of Fort Atkinson.** No appointment is needed, but it is important that you attend. The process should take no longer than 15 minutes.

Please direct any questions to 4K Secretary, Carol Klein or 4K Administrator, Brent Torrenga at 920-563-7817 or email to: kleinc@fortschools.org, torrengab@fortschools.org.

HAVE A FEW MINUTES WAITING FOR YOUR CHILD(REN)?

The IMC has a small parent library with books about relevant topics for parents including ADHD, learning disabilities, promoting study skills and work habits, good behavior etc. Most of the books have been acquired with PTO funds. Check it out! Just check into the school office for access to the parent library.

CLOTHING DONATIONS FOR THE OFFICE

The Purdy School Office is looking for gently used clothing items to be used for those occasional mishaps that occur.

Items that would be most useful are:

- Sweatpants (Boy & Girls)
- Underwear (Boys & Girls)
- Socks (Boys & Girls)
- ♦ Mittens/Gloves

We need all sizes for boys and girls. Our storage space is limited. Please don't clean your closets, but a few items will be greatly appreciated.

ORIENTATION/REGISTRATION FOR
2014-2015 SCHOOL YEAR
CURRENT 5TH GRADERS

The orientation/registration process of preparing 5th graders for the transition from elementary school to Ft. Atkinson Middle School begins the week of January 27. Mrs. Temperly, school guidance counselor, coordinates orientation/registration activities for 5th graders. Please review the dates and activities information for 5th graders.

WEEK of JANUARY 27

Mrs. Temperly visits 5th grade classrooms to distribute registration materials and discuss the middle school. Registration materials are to be sent home on the 4th.

FEBRUARY 3

A parent/guardian orientation meeting will be held at 6:30 P.M. in Ft. Atkinson Middle School to share information. **This program is for parents/guardians only.**

FEBRUARY 7

Registration sheet must be returned to the 5th grade homeroom teacher by this date.

APRIL

6th graders visit 5th grade classrooms to make panel presentations about life as a middle school student.

MAY

5th graders visit the Ft. Atkinson Middle School. This will be an opportunity for 5th graders to meet 6th grade core curriculum teachers and tour the building.

AUGUST

The new class of 6th graders visits the middle school with their parents/guardians for an evening program. There is an opportunity to walk around the building and learn how to start the year on a positive foot.

SEPTEMBER

The first day of the school year will be only for our new 6th graders. We will have a variety of fun orientation activities to help new students connect with adults in the building prior to the 7th and 8th graders joining us on the second day.

HEAD LICE

We have been seeing a few cases of head lice in our schools. Head lice are small, flat, grayish insects that lay eggs (nits) at various places in the hair. Nits are pearly, white eggs that look like teardrops and are glued tight onto the hair shaft. The areas around the ears and at the nape of the neck are especially prone to infestation-be sure to check here. Lice, while a nuisance, do not spread disease. **Primary symptom is intense itching.**

With so many students in this district, we *need* your help in this matter!

Please check your child(ren) for head lice several times a month.

If your child(ren) ends up with lice:

- It is the parent/guardians responsibility to treat and remove (pick) the nits
Keep them home until they have been treated.

Once treated the child may return to school but will be rechecked as needed at school if more nits are found OR live lice are present you will be contacted and your child will be sent home immediately for further treatment.

Tips for your child on how to avoid getting head lice:

- Encourage them to put their hats and scarves inside their coat sleeves when they take them off.
- Discourage sharing of clothing items, hats, scarves, combs/hair brushes, and hair scrunchies/headbands and other personal items.
- Children with long hair are encouraged to wear their hair in a braid or ponytail.

Questions? Call the school nurse office at 563-7805. Thank you for your cooperation!

Sara Noeske, RN,
School District of Fort Atkinson Nurse

Movin' and Losin'

Tuesdays, Jan. 14 - Mar. 18
6:45 - 7:45 p.m.

Fort HealthCare
Therapy & Sport Clinic

\$50 per family

*financial assistance
available to
qualified families

This 10-week weight management program is designed specifically for families with children ages 8 – 15 years old who are looking for ways to incorporate healthier eating and fitness habits into their everyday lifestyle. A different topic related to diet and exercise will be covered each week and each class will include a family fitness activity featuring Fort HealthCare's new Railyard fitness equipment!
