

Strategic Plan Visioning 2013-2018

SCHOOL DISTRICT OF

FORT • ATKINSON

We want your input!

Where do we want to be as a District in 5 years?

This fall brings a unique and special opportunity for all stakeholders in the School District of Fort Atkinson to answer that question.

We are embarking on a visioning year ... a chance for everyone in our learning community to share their hopes, thoughts and dreams for the School District of Fort Atkinson and its students.

Throughout the 2012-2013 school year, stakeholders will be asked to provide feedback on drafts of the District mission, objective and philosophy, the academic agenda, the fiscal agenda as well as the communication agenda. Stakeholders will have an opportunity to provide feedback to each area through multiple venues including an online survey as well as Board of Education listening sessions.
