

# Strategic Plan Visioning 2013-2018

SCHOOL DISTRICT OF

FORT • ATKINSON

## Finance & Operations Agenda

### Where do we want to be as a District in 5 years?

The Board of Education and Administration have identified nine areas of focus for all finance and operations improvement efforts over the next 5 years.

Employee Benefits	Employee Wellness	Human Resources Operations
District Nutrition Programming	Buildings & Grounds	Operational Technology
Risk Management / Loss Prevention	Business & Financial Operations	Finance & Budgeting

Each area has an overall goal, targeted outcomes and a series of success measures to guide our efforts over the next five years.

Please share your thoughts, considerations and/or suggestions regarding these goal areas, outcomes or success measures via our online survey located at [www.fortschools.org](http://www.fortschools.org) or attend one of our listening sessions at the December, January or February regular Board of Education Meetings.

A full version of the Finance & Operations Agenda draft document is also available on the district website.
