

**APUSH**  
DBQ PRACTICE

Write the question here:

---

---

---

Use this form to create an outline for your DBQ:

1. What is the **essence** of the question?
2. What are the **key terms**? Are there any **parameters**?
3. Construct a **database** of relevant information.

Political	Economic	Religious
Social	Intellectual	Artistic

Body paragraph: Write the topic sentence and list outside information and documents you will use. Be sure to explain how the document and/or outside information supports your contention.
